Cavalier Spotlight

By Paulette Mixon

Sophomore Becky Brown Haynesville, North Carolina. gives her all to sports at Montreat. She played volleyball this fall and will play softball in the spring. Coach Carol Fox states, "Becky worked hard to improve all aspects of her game and developed into a very reliable player for us this year." While her two sports are inactive, she videos the girl's basketball team.

Volleyball Wrap-Up

Well volleyball fans, the Lady Cavaliers have completed their season for this school year, finishing with a record of 7-11. This shows major improvement over last season's record of 2-9. This was the best record in many years for women's volleyball at Montreat-Anderson.

Major improvement was seen in every match this year, with outstanding play by Traci Haynes, Jennifer

Parton, Carri Lucksavage, and Heather Jamerson. All team members played a contributing role on the team, with hard work put in at practice being evident during the matches.

Coach Carol Fox commented that five to six new players will be brought in for next season, to continue building upon the strong foundation laid by our Lady Cavaliers this season. With at least a years worth of experience under their belts, returning players hold great promise for a winning season in 1992, when the Lady Cavs begin competing in the NAIA.

Thanks Lady Cavs for a great season and all of your hard work and dedication. Terrific job!

From a Fan's Point of View

by Andrea Murrell

As a spectator of many games last year, I found myself really "letting down my hair." I enjoyed going to watch the men's and women's basketball games because I wanted to be one of many to show school spirit. I enjoyed the women's basketball games more because I know a few of the girls very well.

I viewed the games differently because I knew the players on a personal basis. When you spend time with a team player you seem to get another way of looking at the game.

The games are played with every amount of energy that they can give and

it certainly showed in many of the games I saw. It's not a matter of winning or losing but how well the game is played.

I'm very proud of both women's and men's basketball. I must say there is never a dull moment, at least when I'm around.

We should really support these players. I've seen how hard they work and I know they would love for us to be out there rooting for them and showing others how proud we are to have them play basketball.

I wish the best to both teams. Do your best and God will do the rest.

Men's Basketball Victorious

Our Montreat-Anderson Cavaliers men's basketball team opened their season with an exciting 121-112 victory over Guilford Tech on November 5th. Anticipation filled the air as the game began which was to be very close throughout. Slam dunks dominated the first half and brought the huge crowd to their feet. At the half, Guilford Tech led 55-50, courtesy of a three-point shot with two seconds left on the clock.

The remainder of the game saw the score go back and forth between the teams, with hardly more than a one point difference. Our guys pulled ahead to stay with 5 minutes 42 seconds remain-

ing in the game, opening up a six point lead, 95-89. However, a rare four point play by Guilford Tech brought them within five at 108-103. But, the Cavaliers then kicked it into high gear and went on to a 121-112 victory.

Outstanding offensive play was seen by all the members. Leading scorers were: Steve Holley-27 points; Rodney Scott-20 points; Derrick Hicks-19 points; Audie Hicks-19 points; Brian Harmon-18 points.

Our Cavaliers look to have a terrific season in front of them, so let's keep up the fan support! Way to go guys!!!
