

Baseball Team Equals Competitors

by Sean Anderson

The crowd cheered as the runner came home. The baseball team played well during their fall season and look forward to the upcoming spring season.

The baseball team travelled to North Greenville, Tennessee on September 28. As a result of the fall baseball league not allowing extra innings for ties, neither a win nor a loss was acquired.

Freshman outfielder, Alan Arnold scored the Cavaliers' lone run, by freshman, second baseman Mitch Glenn's RBI. The team commented in general that they have a young team, but in time they feel they can be one of the best in their conference. The team

plans to work hard both physically and mentally to be the best team that they can be.

The baseball team is also looking forward to the alumni game coming up tomorrow at 2pm.

This is a chance for alumni to play, as well as the team. The good news is everybody gets to play and it is a good chance to evaluate each person's individual ability.

Soccer Team Establish Winning Streak

By Cara Weiss

Good sportsmanship on the part of every player, gradually pulled the Soccer team together. Quent Johnson said, "I think this was the first time we completely pulled together as a team." This teamwork has definitely proved to be a plus, because our soccer team achieved another victory at home this past Saturday. The Cavs won 4 - 1 against Bryan College from Dayton, Tennessee. Three other key points contributed to their success. These included good communication, ball control, and defense.

The first goal was scored by Dave Jarema. Aki Suzuki scored the second, along with the final goal. Phil Lomac also added to the

Lady Cavs Spike to Victory

By Marcy Buckner

The abused volleyball, hit over and over again, dove into its mark. The M-AC women's volleyball team was victorious over their opponents.

The Cavs defeated Salem College, Monday night, September 27, at 6:30 pm on the home court in three out of three matches. The scores were 15-7, 15-11, and 15-10.

Stephanie Cone, a left outside hitter, made eight kills. Setter and outside hitter, Christi Waddell, attained nine kills.

Salem College is an all women's college of approximately 350 students. Monday night was the first time M-AC had ever played against this school. Salem's record coming in was 1 and 4, and now stands at 1 and 5.

The contributing factor, according to

Ethnic Diversity Club Strives for Unity

By Sean Anderson

The ethnically diverse students on campus never really had a club, until now. The Ethnic Diversity Club just started this year. It is the first time that the school has ever had a club like this on campus. It was formed to give ethnically diverse students a voice and to bring about unity at Montreat-Anderson College.

It is open to everybody, and does not discriminate against race, gender, or religion. The idea of division is not accepted by this club. Donna Buggs, President of the Club, said, "We enforce unity, and feel that this organization is the only way to do it." The first meeting ever of this brand new club was on September 7. The Ethnic Diversity Club wants the club to remain steady.

The officers of the club are as follows: Donna Buggs - President, Anna Shimaya - Vice-

scoring. This second triumph put Montreat on a two-game winning streak.

Johnson concludes, "With these two wins, it will help with tough games coming up."

Upcoming games against Lee and Wingate Colleges do appear to be challenging. The Wingate team, from Wingate, North Carolina, has an overall record this year of five wins, three losses, and one tie. According to David Sherwood, Sports Information Director, "We're experiencing a turn around from

Sexuality Awareness Week Successful

By Anna Shimaya

Sex is beautiful and sex is harmful. These were two conflicting statements discussed during sexuality awareness week.

Montreat-Anderson College Director of Counseling, and psychology professor, Carmen Copenhaver, said, "This was very needed information for students to hear. There is a tendency for teens and

Coach Darin Chaplain, was a great week of practice. "Last Thursday, Friday, and Saturday were the best practices we have had in a long time."

As of September 27, the ladies' record was 4 and 9. This is a significant improvement over last year's record of two wins for the season.

The ladies play their homecoming match tonight at 6:30 against Piedmont Bible College.

President, Daphne Cogdill - Secretary, and Aaron Gilchrist - Treasurer. The next meeting will be on October 6 at 7 pm.

The Ethnic Diversity Student Association encourages ethnically diverse students to become a vital contributor to campus life. It gives the Montreat - Anderson community an interest in minority's cultures and backgrounds. The EDSA is unique to Montreat - Anderson College, and is not affiliated with a large nationwide organization.

Any member that is in the club can hold an office, but employees and teachers cannot run for office. The club can also impeach those officers that fail to perform their duties well.

EDSA's main purpose is to create equality on campus.

last year's 13 losses." Their leading scorer is Mike Marsocci, number 16. He is the fourth leading scorer in NCAA division II.

Lee College in Cleveland, Tennessee, may also prove to be a difficult match. According to John Bratcher, Soccer coach, "Were 6 - 3." Their leading scorer is Rafat Quemsieh, who has seven goals and two assists.

college age people to feel that they are invulnerable. This is false! No matter what the age, there are consequences for making unwise choices. It's my desire to see the students at Montreat live healthy and full, abundant lives, especially lives that are honoring to God."

Student, Laura Calfee, remarked of the presentations, "It was very educational, and I'm glad we've had it. Also, I've learned a lot from it, and I think everybody should know about all the diseases out there."

Amy Harkleroad commented, "I thought it was good. It lets people know that are sexually active about the diseases that they can contract from the things they are doing. It lets people become aware of everything. It's very good because it could help stop someone from making a mistake that could give them a disease."
