

"Soccer" in the Eye

by J. R. Cunningham

The soccer squad is back in action for another exciting season.

Besides rolling out of bed in the morning for a brisk 6:30 am. run, the kickers practice almost three hours in the afternoon in preparation for the upcoming season.

The soccer team, led by Coach Steve Schutt, traveled to Lynchburg, Virginia, last weekend to battle two tough Division II schools. The Cavaliers dropped a tough 6-3 to the crew from Lynchburg College.

Senior soccer player and Howerton resident Eric Brown stated, "We played good as a team, but we were just out-manned."

Size definitely played a big role in the game as the Cavaliers had trouble matching up to the size of the Lynchburg team.

As a NCAA Division II team, Lynchburg utilized their advantage by going to their strong substitutes during the game.

Brown noted, "They had a lot more subs which made it harder on our team."

Admissions Hires

by Christlan Malone

This year the Admission's Department started a new program called telecounseling.

The telecounselors are students who work part-time in the Admission's Office for about ten hours a week.

They call high school students on the college's mailing list and inquire about their interest here at M-AC. If the student is interested, the telecounselor refers him/her to the Admission's counselor of that area. If the student is

Lady Cavs Volleyball Team Spiked with Experience

by Stephanie Young

The 1994-95 Volleyball team kicked off this season with eight returning players and only two new players.

Senior and team member Traci Haynes stated, "This year's team is at an advantage because of the number of returning players."

"Last year was a learning experience for the team. We were learning how to play with one another. Now we know the way each

On-campus student Dave Walters chipped in 2 goals in the contest, while Dave Jarema also added a score.

In the second game, the Cavaliers battled Randolph Macon strongly before falling 6-1 when time expired.

Mid Field player Leland Globke scored the lone goal for the Cavaliers as the team experienced a disappointing match.

Coach Schutt's men were again overpowered as they lost Phil Lomac to an injury, which inevitably wounded M-AC's of-

us plays and it enables us to play to our full potential. We are going to surprise many of the opposing teams."

After Lomac left the game, Jarema was moved to the middle and the Cavaliers kept fighting until they ultimately out played.

Though experiencing the two losses last weekend, the Cavaliers are in no way down in spirit. After preparing to maul a Lincoln Memorial team on Tuesday, the crew called off the attack due to Memorial's no-show.

Investigators to Reduce Mailing and Phone Costs

uninterested, their name is taken off the mailing list. By doing this, the college saves a great deal in mail and phone cost.

Making those calls separates the serious inquiries from the casual ones. Admission's Counselor and head of

this program Heidi Osler commented, "They basically have two jobs: passing on good leads and disqualifying bad ones. That way we save time and money."

Despite constant rejection from some of the prospective students, the telecounselors all shared that they love their jobs. Vance muttered, "We get more rejections than anyone else on campus."

The Pledge of Aletheia

by Chad Smith
Editor-In-Chief

"Finally brothers, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable--if anything is excellent or praiseworthy--think about such things."

With these truths, the *Aletheia* will steer towards these few goals.

First, we will glorify God in every aspect. I feel this can be done if we as a newspaper staff and student body ask ourselves: "What would Jesus do?"

Second, we will uphold and support our First Amendment Right to freedom of speech.

Third, we would like this paper to be beneficial to the communication between the students and faculty.

Fourth, we want the quality of the articles to be as professional as those found in larger newspapers.

Since *Aletheia* means Truth, we as a newspaper staff promise to stand for Truth at all times, and at all times honor Christ in the articles we print and in the ways we present facts and information.
