Boiling Springs Report

POLICE

30 Aug. Officer James Clary arrested three males at approximately 8:50 p.m. for theft of gasoline from a West Cleveland school bus. The three were charged with misdemeanor larceny. Investigation is still ongoing.

31 Aug. Weekend breaking and entering at Boiling Springs Elementary school was reported this Monday. A half case of hamburger was reported taken.

RURAL FIRE

Aug. 26. The department put out a grass fire in the No. 1 Township south of Boiling Springs. The call came in at 1:55 p.m.

Aug. 27. Rural responded to a house fire at West Homestead just outside city limits at 11:53 a.m. The city department assisted in putting out the blaze, which caused an estimated \$15,000 damage (see below).

CITY FIRE

27 Aug. A short in a stove resulted in a \$15,000 fire at a West Homestead house, according to City Fire Chief Don McSwain. Both city and rural fire departments answered the call at 11:53 a.m. The fire, which started in the stove, burned kitchen cabinets and partially burned the roof, before being brought under control within 30 minutes, according to McSwain.

RESCUE

The squad made four transports and three housecalls this past week for a total of 301 miles. Hours spent on call, 44 3/4; on standby, 96.

FACTS & FIGURES

More cigarettes are sold in China than anywhere else on earth. Over 700 billion cigarettes are sold there every year.

The world's largest collection of cigarettes is in New York City. It has over 7,000 different brands from 167 countries.

The cigarette with the least amount of tar and nicotine is Carlton in the flip-lid box. According to

tests following the same method used by the Federal Trade Commission, it has less than 0.01 mg. tar, 0.002 mg. nicotine.
