Tent Going Up For County Fair

The 1981 Cleveland County Fair begins a nine-day run Friday, October 2. Fair gates will open at 3 p.m., the midway will begin operation at 4 p.m., and the official opening ceremony will be held at 5 p.m. Guest speaker at the opening ceremony will be George Clay, Jr., Mayor of Shelby, and the invocation will be given by Rev. Harry Queen, Pastor of Beulah United Methodist Church. Special music will be provided by Miss Elizabeth Williams of Shelby. Miss Williams, a senior at converse College, was "Miss Spartanburg 1980."

General admission tickets during the fair are \$2.50 for adults, 50c for children 12 and under, and parking is free. (Advance ticket sales at reduced prices will end October 1.) Senior citizens, 60-74, will be admitted to the fairgrounds every day for one-half price, and those 75 years of age and over will be admitted free.

Fair Manager Joe Goforth stated that Reithoffer's King Reid Show on the midway at this year's fair will feature 40 rides and shows. The Reithoffers will be bringing back the popular Sea Dragon -- a 40 passenger family-type "Viking Ship" ride with free fall action from 56 feet high. Also included will be the Super Loops Coaster, the Flying Bobs, the Zephyr, plus all the standard rides. And, for the younger midway fans, the King Ried Show has many

favorites including Mini Honda Travel Bike, Race Cars, Merry-Go-Round, and many others.

Persons interested in entering an exhibit at the fair are reminded to check the fair catalog for the listing of the many items that can be exhibited, and also for the entry deadline dates for the various departments.

Manager Goforth announced another new free attraction that has been scheduled for the grandstand. A sky diving show will be presented by Tim Brewer of Shelby and C.R.

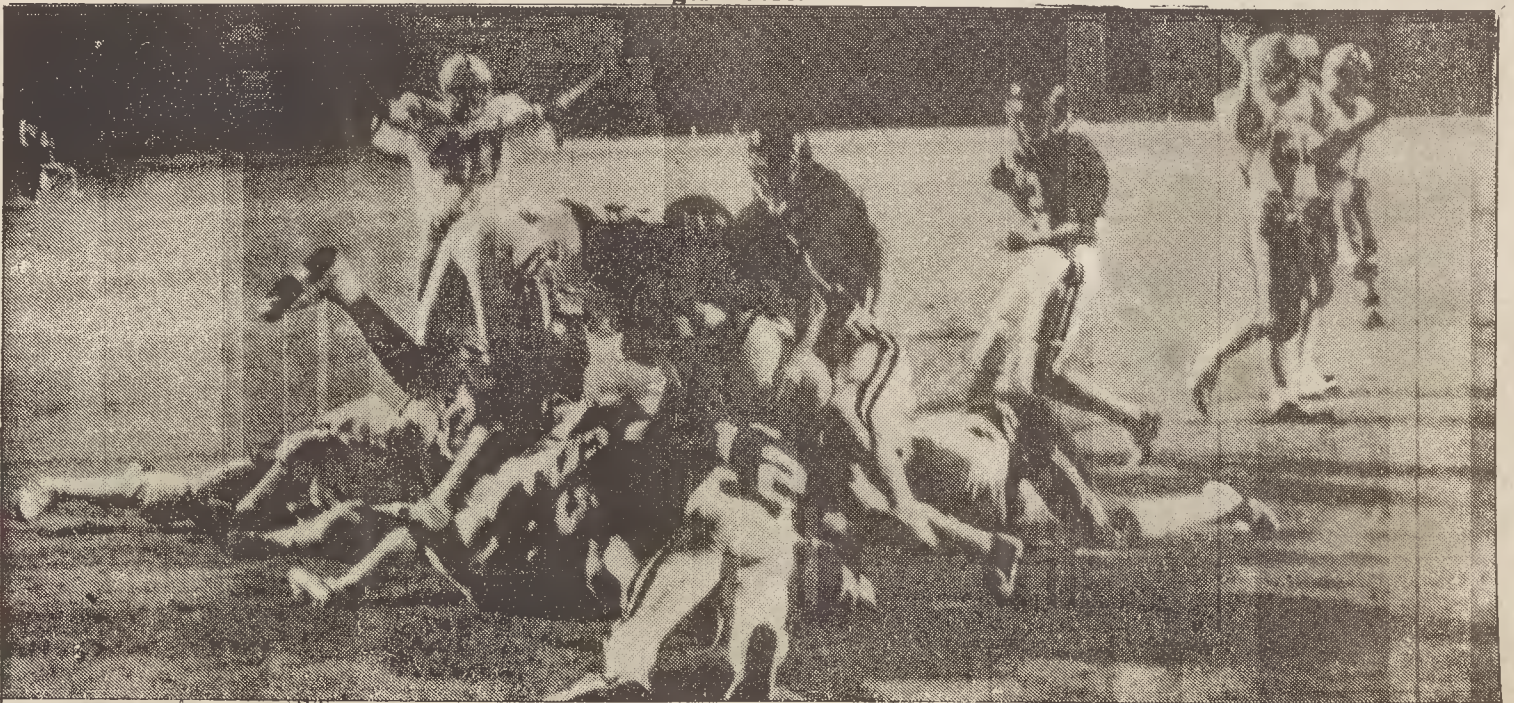

Hames of Rutherfordton on Saturday, October 3rd at 6:30 p.m. They will be jumping from an altitude of 7,500 feet, descending at a rate of 120 m.p.h., opening their chutes at about 2,000 feet, and landing in the new horse ring in front of the grandstand. Goforth stated that a \$100.00

bill will be placed on the target for Tim to land on as a special consideration to the jumper. Both jumpers, who do this as a hobby, are expert parachutists and have accumulated over 1,200 free falls. Pilot will be Bill Secker, Ruth Airport Manager, who has been flying these jumpers for over five years.

Did You Go To Boiling Springs High?

The Alumni Tent at the fairgrounds will spread over a lot of memories as four area high schools will hold reunions beginning this Monday at the Cleveland County Fair.

Featured at this year's fair will be the following schools: Grover High School on Monday, October 5th; Boiling Springs High School on Tuesday, October 6th; Douglas High School on Wednesday, October 7th; and Waco High School on Thursday, October 8th. (These high schools were among those closed when high schools in the county school district were consolidated in the fall of 1967.)

All former students of the high schools listed above are invited to visit the Alumni Tent located in the center of the fairgrounds on the day designated for their school. They will be asked to sign a register, and name tags will be provided if desired. They will have an opportunity to sit and visit with former class mates and they can also check the register to see if any of their friends have already been by and might still be on the fairgrounds. Serving as hosts/hostesses at the Alumni Tent will be some former students of the high school that is being featured for the day.

Fair Manager Joe Goforth announced that this will be an annual event at the Cleveland County Fair, with a number of different high schools being featured each year.

Anyone interested in obtaining more information concerning the high school reunion days planned for the Cleveland county Fair should contact Manager Goforth -- 487-0651.
