WHAT IS CLASS?
Someone made the statement that today's generation has no class! Whether this is true or false, class is something more people need to display. I dare to say, "most people want a touch of class." Sad to say, "it is not taught today as it once was."
Class is found in personalities whom sustain ethics, morals, dress-code, courtesy, honesty and the many other aspects of teaching and knowledge of Christian values. Where do you find it? Well why not start in a church that teaches it or write to the "Youth Division", of the "Glen Upton Ministries", P.O. Box 1202, Gaffney, S.C. 29342.
