TRY IT!

Forget each kindness that you do
 as soon as you have done it;
 Forget the praise that falls to
 you the moment you have won it;
 Forget the slander that you hear
 before you can repeat it;
 Forget each slight, each spite,
 each sneer, wherever you may
 meet it;
 Remember every kindness done to
 you whate'er its measure;
 Remember every promise made and
 keep it to the letter.
 Remember those who lend you aid
 and be a grateful debtor;
 Remember all the happiness that
 comes your way in living.
 Forget each worry and distress--
 be a hopeful and forgiving
 person.
 Remember good, remember truth,
 Remember heaven's above you,
 And you will find, through age
 and youth,
 That many hearts will love you.

VOICE OF THE STUDENT

LOOKING AHEAD

Most people who want to know
 what the future has in store for
 them consult a fortune teller.
 But not a Montreat lassie--no
 siree! Here we have mapped out
 before us a long list of inter-
 esting and exciting things which
 are to take place before a cer-
 tain day in May.

Looking not far into the fu-
 ture, I can see Easter. What a
 joy comes to our hearts when we
 think of a pleasant Easter in
 Montreat. And we would hardly
 be normal girls if we didn't
 think of that new Easter bonnet
 which has almost become a tra-
 dition.

Of course, I've seen that
 "far-away" look in some of your
 eyes, and I know that many of
 you will be spending week-ends
 away from school. Still, some
 girls don't have to go away for
 week-ends, judging from the
 large number of "the opposite
 sex" seen on the campus recently.

Have you decided who is going
 to be May Queen? Better make
 up your mind! The queen and her
 attendants are to be elected
 soon. I am looking forward to
 May Day with great pleasure.
 I've never seen one in Montreat,
 but I'm told that no school has
 one quite so beautiful.

So, girls, you see that there's
 a lot before you. Don't let
 spring fever get the best of you!

Seniors, don't forget that soon
 you'll be in that long proces-
 sional that leads to another step
 in your lives.

"Good old summer vacation" is
 just around the corner--so until
 then, let's do some honest-to-
 goodness studying and see how
 "educated" we can become, in
 spite of spring fever.
