

# UNDER THE CROSS AND TRIANGLE

Private GEORGE RYDER

TALIESIN W. DAVIES, Y. M. C. A. Secretary

## MANY SHIFTINGS

Like everything else in Camp Greene, the Y. M. C. A. force is rapidly changing. C. H. Ellinwood, building secretary of "Y" 106, has left for France. Leslie Martin, building secretary of 102, at his own request, has been transferred to the Central Department, where he will do Y. M. C. A. work.

Dr. A. R. Brown, who, since last fall has been religious director of building 106, is spending a brief vacation at his home in New Haven, Conn.

Several new "Y" men have come into camp. Building 104 received two secretaries: Herbert A. French, acting secretary of religious work, and Mr. Hargreaves, acting educational secretary. Mr. Grubb has been placed as acting religious secretary of 106, and Mr. Cole as acting assistant building secretary at 105. The force of Y. M. C. A. secretaries at the Base Hospital has been very greatly strengthened by the coming of Dr. Charles Lincoln Jackson. Before entering upon Y. M. C. A. work, Dr. Jackson was pastor of a prosperous Baptist church in Brooklyn, N. Y. He comes to the hospital "Y" after a service of several months as religious director in building 103.

During his stay at his previous location, Dr. Jackson frequently visited the hospital patients, so that he slips into his new work very naturally. He will have charge of all the Y. M. C. A. hospital visitation. At the Sunday evening service in the Y. M. C. A. building Dr. Jackson made a very impressive address on "The Sins of Youth!"

## NEW K. OF C. QUARTERS.

The base hospital chapel, where Catholic services have been held for some time is being converted into use for K. of C. quarters in addition to its purpose for services. Desks are being installed. Stationary will be provided and reading material will be available.

The taking over of the chapel by the K. of C will conflict in no way with the holding of religious services.

## SUNDAY MORNING SERVICE.

Beginning with next Sunday a service will be held every Sunday morning at 10:30 o'clock, in the base hospital "Y." The Rev. Dr. Henry P. Eckhardt, one of the Lutheran camp pastors, will speak next Sunday morning. All Lutherans are urged to avail themselves of this opportunity to meet their camp pastor. However, the service is for all others who may wish to come.

## AN AWFUL GERM.

Disease prognosticators are cheering us with the prophecy that volleyballitis is about to strike the base hospital. A peculiarity of this disease is, it is said, that once it becomes deep seated it drives out all other diseases. Hurry up, base hospital convalescents, and catch a few germs.

## BAPTIST PASTOR SPEAKS.

The Rev. Dr. Hainer, the Baptist camp pastor, spoke at the "Y" on Friday evening. It was Dr. Hainer's first opportunity to speak to the men at the base hospital "Y." He left a deep impression upon those who heard him.

## THEATRICAL STAR ENTERTAINS.

We were very fortunate in having to entertain us at the Y. M. C. A. building on Wednesday night Sgt. Joe Kershenblatt, of the Casual Camp. Sgt. Kershenblatt hails from New York and has done big time all over the Keith circuit. He is a composer as well as a singer and one of his numbers was a composition by his brother and himself, which received a great ovation. Kershenblatt will probably be identified as Mort Sands co-worker.

## PRESIDENT'S DAUGHTER GIVES VOCAL CONCERT.

Miss Margaret Wilson, daughter of President Wilson gave a concert at the hospital Y. M. C. A. Friday night. The room was packed and every number was enthusiastically received.

## EXCHANGES

Work has been started at Great Lakes Naval Training Station on what is expected to be the most modern and best equipped athletic field in the country. One feature will be a quarter-mile oval running track with a 220-yard straightaway, which will be one of the few stretches in the country for a dash of this length.
