## WILL CELEBRATE

### LITTER CONTEST A NUMBER OF FOURTH OF JULY MEET.

A rousing athletic meet is planned for Camp Greene for July 4th. A. E. Bergman, camp athletic director, is boosting the affair. The track and field events will be open to both officers and enlisted men. It is expected that the meet will be held on Wearn field.

One of the features of the meet will be the litter bearers' contest. The litter team will consist of three men; two bearers and one patient. At a given signal the litter bearers will start for their patient and carry him back to their starting point.

It has been suggested teams be picked from the classes now in training here so that the base hospital may be represented and carry off the honors.

Some of the other events will be: Fifty-yard dash, 100-yard dash, 220-yard dash, one-half mile run, running broad jump, running high jump, semaphore signalling, and relay race.

### SO WE ARE—

There was a ball game played on last Saturday between a team representing

The Base Hospital and the Fourth Regiment Motor Mechanics. And the rooters for the respective teams

Sat in separate sections of the Grand Stand. And when the game waxed fast and furious

The rooters grew enthusiastic and vented their enthusiasm by hurling epithets

Complimentary and otherwise against their opponents. And the Base Hospital crowd called the

Motor Mechanics "ground-hogs" and the "ground-hogs"

Called the Base Hospital crowd "home-guards," slackers, And there were some civilians present of Draft Age

An they quietly slunk away when the slacker question was mentioned.

And finally the "ground-hogs" asked us "What we were, "Regulars or National Army men?"

And one of the "home-guards" replied, "We are Regulars, God help us."

By SERGEANT COSGROVE.

Too much pennant in "Bob" Martin's glove, we imagine. Take it out, Bob, take it out.

## FINALLY DRUBBED

The base hospital team was defeated by the Fourth Regimental team at Wearn Field on Saturday. The score was 11 to 3 and was caused no doubt by our boys being unaccustomed to the new field. It seemed that they were attacked with a case of stage fright, as the usual heavy hitting of the team was missing. They also fielded in very poor style, eight errors being chalked up against them. Another game is in the works at the present time and we all hope for a reversal of form. Barth, Craig and Zecha stood out as the shining light of the team. Jewell on first, played a wonderful game for the Fourth team.

## WHO WAS WHO IN ATHLETICS

Among the records of the athletes at Camp Greene, Sgt. Nickerson holds one of the most enviable. "Nick," as a "has been," is not surpassed by "Matty" or the "Iowa Farmer" when it comes to being a star. While a student at Rickel Institute, "Nick" earned his letter in three branches, baseball, basketball and football. In addition to being a member of the varsity teams in these branches of athletics, he served two years as captain of the basketball and baseball teams.

Pvt. Cy Green was for many years a leading soccer player with Alabama Thistles and his services were always in demand.

### BASEBALL BREVITIES.

Well, we got tripped up. Better luck next time.

"Dad" Craig caught a beautiful game, besides getting two hits.

Zecha, of course, got his customary hits, two this time.

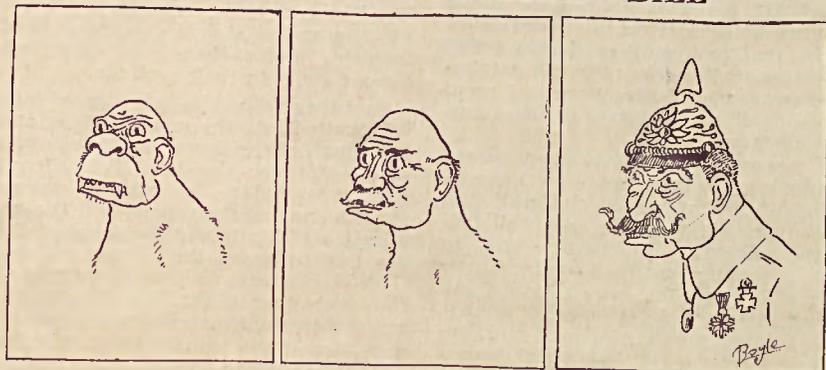

We admit the Fourth has a dandy team, but we fully convinced that we can still beat them. Another game is in the works.

An item of amusement was the jeering of "Hug" Lange by the Meachrites. It sort of got his goat, too.

Joe Lawlor was on the bench. He wanted to go in as a pinch hitter but didn't have on a suit, so he was barred.

This party Jewell, seems destined for faster company. He is a wonder at first base, and it seems that he towered way above the other players, although they were all good.
