

NEW CLUB OPENS

The Red Circle Club for colored soldiers of Camp Greene, conducted under the auspices of the War Camp Community Service, was auspiciously opened Tuesday evening with an informal reception. It was estimated that not less than 500 colored soldiers were present.

The Red Circle Club is located on South Brevard street, opposite the library for the colored. It is provided with comfortable furniture, reading and writing material and made as inviting and attractive as possible.

The sub-committee composed of leading colored men and women of Charlotte who direct the activities of the club, were assisted in Tuesday's entertainment by three representatives from each of the colored churches.

There was music and refreshments were served. J. H. Warren, chairman of the entertainment committee, delivered a brief and cordial welcome

WE APOLOGIZE.

It is but due Sergeant Woollard that The Caduceus apologize for failure to mention the efforts of the sergeant in connection with the success of the "stunt" night performance at the Y. M. C. A. on Monday night, two weeks ago. The whole affair was the outcome of the personal labors of Sergeant Woollard who called upon each performer personally and who secured the talent of the Keith vaudeville actors.

MAJOR RELIEVED**CAMP QUARTERMASTER ASSIGNED TO 37TH INFANTRY.**

Major Albert E. Kaempfer has been relieved from command as camp quartermaster of Camp Greene and is assigned to duty with the 37th infantry. He has gone to take up his new work.

Major Kaempfer is succeeded by Major S. J. Seals, who comes to Camp Greene from Montgomery, Ala.

Major Kaempfer had made a worthy record as camp quartermaster and gives every assurance of proving a valuable addition to the 37th infantry. He is an enlisted man of thirteen years of army service and has gained his present ranking from a private.

MORE PIGS ARRIVE.

During the past week another shipment of Guinea Pigs was received by Pvt. Griswold, keeper of the animals of the base hospital. There were about thirty pigs in the lot which will bring the total up to about fifty. The pigs were of the smooth coated English variety and came from Kentucky.

Pvt. Griswold states that Guinea Pigs are very expensive at present, being worth \$1.50 per pig. A year ago at this time they could be purchased for \$1.50 per pair.

The pigs are used quite extensively in the laboratory for testing and standardizing serums and are also used in the Wasserman test.

Pvt. Griswold, who has charge of the animal house is experienced in this sort of work, having raised Guinea pigs for the last five years.

HOT STUFF.

The hottest bit of library material that we have known to come from a book shelf is at the disposal of the patrons of the base hospital library.

It is an electric iron.

Marie Fox Waite, who received the suggestion from one of the nurses wrote Mrs. H. R. Russell, of Pittsfield, Mass., that the iron would be more appreciated than "Paradise Lost." Mrs. Russell who had wished to make a library contribution accordingly responded by sending an iron which will be loaned out just like "Aesop's Fables" and "Robinson Crusoe" and will be used for pressing army clothes.

VISITS LIBRARIAN.

Miss Wait, the custodian of the hospital library, had as a visitor over Aug. 9th and 10th, Miss Miriam E. Cary, field representative of the American Library Association. Miss Wait thoroughly explained the work that had already been done here and the great opportunities that were possible when the new Red Cross building was completed.

Miss Carey had spent the first part of the week at Boston, Mass., and upon her departure from here she went to Asheville, N. C., to continue her tour of inspection.

WANDERS BACK.

John Petrilli has returned to hospital duties after a ten-day furlough to Fort Wayne, Indiana.

5,000 COMING**DEFINATE ORDER FOR THAT NUMBER GIVEN.**

Provost Marshal General Crowder has called upon 34 states to furnish 12,000 white draft registrants for entrainment on August, 30 and with 5,000 of that number assigned to Camp Greene, according to official messages from Washington.

The Camp Greene men are to come from Alabama, Florida, Georgia, Kentucky, Maryland, New Jersey, Mississippi, New York, North Carolina, Ohio, Pennsylvania, South Carolina, Tennessee, Virginia and West Virginia.

START BIG WORK.

Now that there are a few negro troops stationed at Camp Greene, the colored Y. M. C. A. men are kept well occupied with arranging for the amusement and the instruction of those men.

The greater part of the secretaries connected with this work are college men having a good understanding of the needs of their men and are making arrangements accordingly for their welfare. Mary D. McCullough, director of colored activities of the W. C. C. service, says that they are doing excellent work. Among some of the amusements already afforded the men are:

A most interesting talk was made by Prof. R. L. Douglass, and Henry Houston rendered several musical numbers.

Through the efforts of Dr. McCrorey's wife, a fine musical program was rendered by the Seventh Street Presbyterian church, the direction of A. T. James, assisted by Prof. Long.

WHO WOULD THINK IT.

Pvt. 1-c Theodore Neal, of the Caduceus staff is with us again after a most enjoyable leave of 10 days passed at Newark, Ohio, his former home.

FOUR ARE ADDED.

Four more non-commissioned officers were added to the lengthy list of promoted ones on Thursday. The enlisted men so raised in rank are Sergeant Frank Donovan; Corporals Harold A. Dempsey, Joseph L. Bartlett and Herbert Gray.

OFFICE MOVED.

The Caduceus is now tenting on the old camp ground as the office of the base hospital publication has been moved from Barracks No. 5 to the large tent formerly used as a detachment office. The official Caduceus address is now Tent NO. 3, Base Hospital, Camp Greene.

FOR CHECKER PLAYERS.

Tables and benches have been placed on the outside of the "Y" building for the convenience of letter writers and checker players, and should prove a source of pleasure these hot nights.
