

**CAMP Q. M. C.**

**OFUR GET COMMISSIONS.**

Quartermaster Sergeant Whitaker, formerly chief clerk, led the grand march for commissions by being appointed second lieutenant about a week ago. He has been ordered to Camp Sevier, S. C., for duty. Sergeant Longmore will fill the vacancy created by his departure.

Quartermaster Sergeant Cademon was the next to be commissioned and was ordered to report for duty at Camp Beuregard, La.

Former Sergeant Thomas R. Wall, ex-chief clerk of the finance department, was in camp a few days ago en route from Jacksonville, Fla., to his new station. He received his commission after a short stay of twenty-five days at Camp Johnson, the quartermaster training camp at Jacksonville, and is to be assistant to the camp quartermaster at his new post. Sergeant Wall holds the reputation of being one of the most expert payroll men that the finance division has produced.

To date the last man to receive his commission from this camp is former Quartermaster Sergeant Turner of the property branch, and he is now on his way to Anderson, S. C., where he will assume his new responsibilities.

**ORGANIZING**

Everything is being made ship shape by the members of the 122nd Infantry, who arrived at Camp Greene last week. The men are all engaged in cleaning the grounds and repairing tent bases. Several attractive canopies and forms of front lawn decoration have been arranged by the officers for their quarters.

Water lines and drains are being put into the building that will be used for central offices and the battalion headquarters.

There are few non-commissioned officers left about the tents as the men have nearly all been taken for drill masters for the colored troops that are stationed in the camp.

**INVITES ALL.**

The War Camp Community Service extends an invitation to all white members of the camp to attend a reception and dance at the soldiers' club on Labor Day. This is intended to include all welfare workers, librarians, secretaries and everyone connected with the camp and the soldiers.

**MOVE AGAIN.**

The office of The Caduceus is permanently located in building C-1. Two rooms, to be used for the advertising and editorial departments, have been fitted up and The Caduceus is now at home to that part of the public which visits the base hospital and takes an interest in all progressive branches of the hospital work.

**CUTS ARE ESSENTIAL**

The Caduceus, recognizing the fact that illustrations are a necessary part of its make-up, has formed a connection with the local photo-engravers, who make the reproductions of The Caduceus pictures, and any one of the thousands of our readers who may need cuts of any kind are requested to communicate with the—

Caduceus Art Department.

**PERMANENTLY ASSIGNED.**

After an intensive training of two weeks in the K. of C. Secretarial Training School at this Camp, Daniel Coffey, R. J. Krueger, and J. Bryan were judged to be fit for service. Secretaries Coffey and Krueger have been assigned to Camp Wadsworth, Spartanburg, S. C., and Secretary J. Bryan to the rendezvous of the Marines, Paris Island, S. C.

These men in a short time made extensive acquaintances among the soldiers frequenting the Building, showing the qualities embodied in a good mixer. They also quickly grasped and apprehended the routine of a K. of C. Secretary, indicating a bright future for each of them in their efforts to carry out the ideas of the K. of C. War Activities.

Sgt. Fuqua is deprived of his usual recreation hike of mornings now that he has to drill. He thought five months in the line and prep school training would excuse him.
