

FIRST DANCING CLASS.

The first lesson was given last Tuesday night to the soldiers of the free dancing class which has been started at the Soldiers Club. There were about fifty soldiers present when Mrs. Baker arrived to take charge of affairs. She deviated slightly from the usual custom and taught the "One Step" first. The men were quick to learn and before the evening was over they were dancing around the floor like veterans.

The next lesson will be given next Tuesday night and all of the beginners are urged to be present promptly at eight o'clock.

ALL COMING FINE.

Hussey Weterholm, Alton Griswold and Steve McDonough, three of our boys who are in the hospital, are all coming along very nicely and will be out on full duty before very long.

ACCOMPANY PATIENTS.

Cpl. Knickerbocker assisted by Pvt. T. Wilson and Dingley left recently for Ft. McPherson, Ga., with five mental patients for transfer to that station.

ON FURLOUGH.

Cpl. J. P. Lyons of the detachment office is away on leave at the present time no doubt leading the "ideal" existence somewhere in Mass.

(By Sergeant Ray J. Derwort.)

DONATED JELLY.

Someone, identity unknown, kindly donated three generous jars of jelly to the patients of this ward. We are sorry that we do not know the name of the kind donor but in the hope that this is read by them, WE THANK YOU.

LEFT FOR OVERSEAS.

Five of our patients who have been with us for some time decided to change boarding houses and in consequence Stanek, McCoy and Becker left for France via Camp Merritt while Parrott chose the Camp Mills route. Here's hoping that you like the fare "Over There" and all the luck in the world to you.

CALAMITY.

Two of our esteemed patients; Colville and Stalvey "Forgot" to get a pass before going to the city one day this week and then were unfortunate enough to get caught. Result one week in the kitchen at the patients mess. We sympathise with you fellows but—

BACK ON DUTY.

Illingsworth is again on duty at these barracks after a short sojourn in the detachment kitchen.
