Jr. O. U. A. M.—Dilworth Council meet Monday nights over Tryon Drug Co., Fifth and North Tryon streets.

MASONS ORGANIZE

TO BUILD SHORTLY AT LIBERTY
PARK.

As a result of the meeting of the camp Greene Masons held at the dental infirmary last Thursday evening, the club has been organized and temporary officers elected.

Colonel William Kent, former camp commander, called the meeting to order and the largest gathering of military masons ever assembled in North

CAPT. D. G. EVERHARDT,

Carolina was in session. The committee on selecting a site reported that one could be secured for almost nothing at Liberty Park and it was decided to build as soon as was practical and the necessary funds had been secured. It is planned to have the structure one or two stories with a Masonic club on the lower floor and a military lodge on the second.

The membership committee reported that there were about 400 Masons.
