

ARMY

NURSE CORPS NEWS

CONDUCTED BY MISS ELIZABETH P. UZELMEIER

TWO NEW NURSES.

The force of graduate nurses on duty at the Base Hospital has been augmented by the recent arrival of two members of the Army Nurse Corps from the North.

They are Miss Anna L. Max, A. N. C., of Buffalo, N. Y., and Miss Margaret E. Elmore, A. N. C., of Cleveland, Ohio.

The need of all competent members of the Nurse Corps is keenly felt at the present time because of the prevailing epidemic.

ANOTHER STUDENT.

Miss Rachel Whittaker, of Belbreckle, Tenn., has reported for duty with the Army School of Nurses now under instruction at this station.

Miss Maude L. Wagner is absent on leave, visiting with relatives in Baltimore, Md.

IF WE HAD THE TIME.

If I had the time to find a place
And sit me down full face to face

With my better self, that cannot show

In my daily life that rushes so:
It might be then I would see my soul
Was stumbling still towards the shining goal.

I might be nerved by the thought sublime,—

If I had the time!

If I had time to let my heart
Speak out and take in my life apart,
To look about and to stretch a hand

To a comrade quartered in no-luck land;

Ah, God! If I might but just sit still
And hear the note of the whip-poor-will,

I think that my wish with God's
would rhyme,—

If I had the time!

If I had the time to learn from you
How much for comfort my word would do;

And I told you then of my sudden will

To kiss your feet when I did you ill;

If the tears aback of the coldness feigned

Could flow and the wrong be quite explained,—

Brothers, the souls of us all would chime,

If we had the time!

—Richard Burton.

HITS OR MISSES.

(By Miss Take.)

Miss Pye works very hard each day and spends evenings at home cheerfully. World's all wrong.

Window shades must be handled with more ease. Miss Kellet will approve of this advice.

To make it easier for the doctors in the hospital, we announce Miss Pollock as our night supervisor.

The cheerful spirit and wonderful manner in which Miss Jehle is administering to the sick nurses is appreciated very much.

Two nurses were strolling the other evening when a party of riders passed.

First Nurse: "Gee, I'd like a ride."
Second Nurse (Rusty): "I would, too, if the darn horse didn't have such long legs."

(Can any one supply a horse with short legs for Rusty?)

Miss Becket has moved up on the hill. We wonder how she will ever get a 'phone message.

Tuesday evening found Miss Take in a big mix-up. We all hope she will recognize the night man, before she tells him something about himself quite uncomplimentary.

The nurses who live in the new house on the hill are planning to have wheeled chairs equipped with motors, to enable them to reach the mess hall around breakfast time.

ARE ASSISTING.

Red Cross workers have been assisting the secretary of Y. M. C. A. 103 in its campaign this week for the Association Men's magazine. So far they have secured 238 paid-up subscriptions for this splendid magazine.

The following are the names of the Red Cross workers who so readily volunteered their time and services to this splendid work. They are: Misses Grace and Winnie Belle Witter, Virginia and Mary Davidson, with Mrs. Davidson as their chaperone.

The secretary of this Y. M. C. A. wishes to announce that they are holding religious services and moving pictures in the open air and that the boys are kept at a distance of five feet apart.
