(BY LIEUT. WILLIAM L. MUNSON.)

## ARE MADE CAPTAINS

CHARLES Z. CANDLER.

With the departure of Captain Johnson to a point of embarkation a new receiving officer had to be found for the receiving ward and the man selected was captain, then First Lieutenant Charles Candler.

Since his arrival at the base hospital in April, 1918, Captain Candler has been in charge of one of the many busy medical wards and his general ability there winning promotion for him to receiving officer. Captain Candler, who is a native of this state, his home being at Sylva, N. C.; received his notification of his appointment to the grade of first lieutenant in May, 1917, proceeding from his home to Fort Oglethorpe, Ga., thence to Camp Gordon, Ga., and to Camp Greene. He was commissioned captain October 29.

Major Way returned to duty November 12, after a three-day leave.

WILLIAM B. WILSON.

Capt. Wm. B. Wilson has been the efficient mess officer at the base hospital for over a year and his recent promotion is one that was well earned by his tireless efforts in keeping every one well fed and contented.

Captain Wilson entered the service on May 1, 1917, as a student at the first officers' training camp at Plattsburg, N. Y., graduating from there with a commission in the Q. M. C. on August 15 of the same year. Soon after he was ordered to Camp Greene, taking up his duties as mess officer at the hospital on the 15th of September. On February 17, 1918, he was promoted to the grade of first lieutenant and on October 29 commissioned captain.

Capt. Robert S. Fitzgerald joined November 9 from Richmond, Va., for duty in the surgical service.
