NOW SOVEREIGNS

FORMER ALIENS GREETED BY CAROLINA JUDGE.

"You are now sovereigns," said Judge W. F. Harding, of the North Carolina superior court bench, in addressing ninety-two soldiers of Camp Greene, who had just been naturalized, Monday morning, at Y. M. C. A. hut 104. "When you denounced your obligations to the crowned rulers of other kingdoms and took the oath of allegiance to the United States you were changed from subjects to sovereigns."

"President Wilson is not the ruler over the people of this land, he is their servant. The only aristocracy we recognize here is that of honesty and efficiency. The only upper class we know is that of the men who are willing to do a full day's work and who will pay 100 cents on the dollar when they owe a debt. For all who will accept our standards we open the door marked 'Welcome.'"

Judge Harding was rousinglly cheered as was Colonel A. C. MacComb, Camp Greene commander, who also addressed the soldiers.

MARRY AMERICAN GIRL.

"Be Americans all the way through," admonished the colonel. "Love the American flag. Read American papers. Make love to an American girl and marry one."

"Your wife will show you how to behave. American girls have a way of doing that."

Laughter and cheers shook the building when Colonel MacComb offered his bit of matrimonial advice.

"I looked along the line trying to determine what country you men came from," said Colonel MacComb. "I believe you are already 99 per cent Americans."

"You have taken the oath to fight any of the fellows in Europe if called upon. You will not be called into an unjust war. The United States will never wage war for gain or profit. In the contest from which we have just emerged victorious we were ready to give all we have because we battled for those undying principles of Liberty and Freedom."

"In the American army your officers will not strike you or abuse you. They are your friends. They are supposed to be the exponents of the square deal."

"My final plea to you is to be good Americans and as such I welcome you into the citizenship of the United States."

CAN USE PAVILION.

The use of the pavilion at the Soldiers' Club, 516 South Tryon street, will be tendered by the War-Camp Community Service to any soldier unit or organization at Camp Greene desirous of giving an entertainment there.
