TAKES CHARGE

NEW QUARTERMASTER IN POWER

One of the first of the hospital personnel to bid farewell to the military service to resume his civilian affairs was 1st Lieut. Charles Harvey, Q. M. C., who has been Quartermaster of the base Hospital for over five months. He is succeeded by 1st Lieut. John H. Trickey, Q. M. C.

Lieutenant Harvey returned to his home in Kinston, N. C., on Wednesday after a last good-bye to his many friends here and stated before leaving that he had greatly enjoyed the acquaintance of many fine men both among the officers and among the en-

listed personnel of the hospital and his only regret was that he was unable to bid them each and every one success and adieu.

He first entered the service as an enlisted man at Camp Lee, Va., early in the war being promoted and commissioned as a second lieutenant in the Q. M. C. from that camp, and proceeding to Fort Oglethorpe, Ga., for duty. On June 25th he arrived at this station to accept the duties of quartermaster for the hospital, receiving his commission as first lieutenant on November 5th.

Lieut. John H. Trickey who is now in charge assumed the position during

the past week and is the hospital quartermaster and commanding officer of the Q. M. detachment and fire marshal.

Lieut. Trickey is one of the few "old timers" here; having been in the service for over 18 years and having risen from the ranks to his present position. He has seen service in the Philippine campaigns, the expeditions of Cuba and spent considerable time at the Panama Canal Zone. He has also been stationed at many army posts throughout the United States and was located at Fort Thomas, Ky., before accepting his present commission.
