HIGH POINT, N. C., APRIL 11, 1924

## GREENSBORO BOYS AGAIN DEFEATED

Pitches Masterly Ball And The High  
Point Highs Blank Greensboro,  
3 to 0.

Coach Jack Boylin's High Point highs continued their march towards the state championship when they defeated the Greensboro high school nine at Welch field here yesterday, 3 to 0. It was the second time in as many days that the locals have shut out the Gate City lads.

Carl Fuqua, High Point's pitching ace, let the visitors down with a lone hit, a single in the third inning by Buster Swift, the ball hitting third base and bounding off Pierce. It was the third time this year Greensboro has been held to a single hit in a nine-inning game, Ingram turning the Johnston men back with a lone single Monday, while Westmoreland, of Thomasville, yielded one hit in the opening game of the season.

Yesterday's game was a brilliant pitching duel between Swift and Fuqua. The battle could not be compared with Monday's debacle. High Point, after pouncing on Swift Monday and driving him from the mound, could do but little with him yesterday, accumulating only three safeties.

In addition to the superb pitching of both hurlers, the strong offensive and defensive work on the local infield featured.

Swift fanned 13 batters and Fuqua 11. By a coincidence, Foust, local man, and Wyrick, who bats fourth for Greensboro, fanned on each of the three occasions they batted. Fritz also whiffed three. Fuqua fanned every Greensboro batter, including Pinch Hitter Kelly, except Charlie Harrison, while Chilton was the only Pointer who failed to be taken in by Swift's shoots. Brewer caught a good game, throwing out Garland, the only Pointer attempting to steal.

High Point's runs came in the seventh. With one down Fuqua doubled, Wyrick misjudging the ball and tearing in under it only to see it sail over his head. Wood popped to Burroughs. Garland grounded to Harrison whose throw to Usery was low and Fuqua was on the hot corner and Garland at first. Ingram dropped a Texas leaguer to right and Moss, attempting a shoestring catch, didn't put his heels together and Fuqua and Garland scored and Ingram went to third, scoring a moment later on a passed ball. Fritz fanned.

Moss was hit to open the sixth, and Brewer sacrificed. Harrison and Burroughs rolled to Fuqua. In the

## HIGH POINT LOSES TO WINSTON-SALEM TEAM

Second Time This Season High Point  
Has Lost To Winston-Salem

By staging a nine inning rally the Winston-Salem high Thursday afternoon at Welch field defeated Coach Boylin's High Point highs by the score of 8-5. This is the second time this season that the Twins have defeated the locals by staging successful nine inning rallies, they having won in the Twin City by the score of 6-5.

For two innings neither team was able to tally, both pitchers being in great form. In the third canto Ernest, the visiting twirler, weakened and the Pointers hopped on his offerings for four runs. Hayworth singled over second and went to third when Wood was safe on Collins' error. White laid down a pretty bunt and Hayworth trotted across the gutta percha for the first run of the game. Wood scored when Pierce laid down another neat sacrifice hit. Chilton singled and scored on Foust's crashing double to left field. C. Fuqua singled and Foust trotted across the platter for the last run of the inning.

Coach Joyner's Winston lads tallied their first marker in the fourth siesta. After Watkins had flied out to Hayworth, Laithan was safe at second when Chilton allowed his roller to get by him. He advanced to third on Capp's infield out and scored on Fuqua's wild pitch.

The fighting Twins scored three more runs in the fifth stanza. Finlator doubled and Ford drew a free ticket to the initial section. Watkins also received free transportation to first and the bases were drunk. Fuqua made a balk at this juncture and Finlator was allowed to score while the other two base runners advanced a base each. Laithan singled and Ford and Watkins raced across the plate for two more markers. After this no more scoring was done until the ninth frame when Winston scored four runs on three hits, two errors and a pass.

The old Blue and White team tried hard to tie the score in their half of the ninth but were successful in scoring only one run. With two men down and two men resting on the stations Ernest was relieved by Ford, who struck out Fuqua.

Foust led the local highs in stick work with a double and two singles to his credit. Hayworth, the dependable right fielders, was struck in the head by a pitched ball in the fourth inning and had to be carried from the field. He was relieved by Ingram, who played a good game in the field.

taken out of the box at the beginning of the third inning after he had been unmercifully pounded by the local batsmen.

Ingram hurled one of the greatest high school games that has ever been witnessed in Greensboro. In fact, he pitched almost a perfect game. He allowed one hit, issued one base, struck out ten men, and caused the Greensboro batters to pop up or knock easy rollers to the infield. Only four balls were hit to the outfield by the Gate City team during the entire contest. Three of these were easy putouts for the outfielders while the other was a hit down the left field line by Block, the only safety secured off Ingram's delivery.

But all the credit must not be given to Ingram. He was given gilt-edged support by his team mates and at times it bordered on the sensational. Every member of the nine had at least one chance and not a bobble was made. Foust, the peppery little Pointer catcher, caught a splendid game, working Ingram like a big leaguer and catching everything that came anywhere near the plate. "Lefty" Chilton played another great game at first base. On several occasions he saved the infielders from making errors by reaching out into the diamond and catching wild heaves. Incidentally, he was the first local player to garner a hit on Swift, making a clean single to leftfield in the first siesta. White made a great catch in the leftfield bleachers and speared a foul leftfield bleachers and speared a foul fly.

This afternoon the two teams meet at Welch field. The Greensboro lads are very much chagrined on account of their stinging defeat yesterday afternoon and will be out for revenge this afternoon. "Buster" Swift will probably do the pitching for the Gate City lads this afternoon while Carl Fuqua is slated to do the mound work for the locals.
