PROGRESS OF ATHLETIC ASSOCIATION

The Pointer wishes to thank the student body for the excellent manner in which it has conducted itself during the first few weeks of school, and also to express appreciation for the support to all school activities rendered by the students. The spirit manifested this year is indeed commendable, and is rarely seen in a school of its size. The students have given nobly of their support to all worthy causes—the desire of the school authorities to keep the building clean and orderly, the orderly changing of classes, and subscribing to the Athletic Association and the school paper.

The school instructors evidently think that the Athletic Association and the Pointer are a benefit to the student body, or they would not permit them in the institution. But these organizations will not be able to benefit every student, until every student gives of his best to support it. And until every class in the school goes entirely one hundred per cent, in support to both of these, neither the Athletic association or the Pointer will be accomplishing their avowed purpose—to help and benefit each and every student in the High Point high school.

So let every one of us help these school activities to accomplish their goal.

BURLINGTON'S LINE HEAVY

LOCAL HIGHS
 The local highs won their third straight game of the season in winning over Burlington's heavy team by score of 12-7.

The team work was good on the part of both elevens. "Big" Bert Ellington, High Point left tackle seemed to be able to plough through Burlington's mortar-like line at almost any point he wished.

Dallas, local center, proved to the heavy Burlington line that the center of the Pointer's line was not weak in the least.

Red Jones starred for Burlington, making good gains by end runs, and scoring the only touchdown, and carrying the ball over for the extra point.

The Burlington team outweighed the High Point machine by nearly ten pounds to the man, it is extricated.

COACH JACK BOYLIN RUNS IN SECOND AND THIRD STRING MEN FOR 26 TO 0 VICTORY

Never once in danger of being scored against, the heavy High Point high school grid team defeated the lighter Asheboro crew in a one-sided game yesterday afternoon on Welch field. Four touchdowns and two kicks after the goal for the locals left the score standing 26 to 0 at the sound of the time-keeper's whistle.

The entire High Point high team starred it being man for man superior to the opponents. On the defense it was impregnable, and before the onslaught the Asheboro line was like so much paper. At no stage of the contest was the entire first team in the scuffle. The game started with second-string men in the line-up.

One or two of the visiting boys worked out a good game, however. Cox, little center, did his full share and then some of the defense.

Braswell and Ellington, hefty High Point guards, broke the line of the opponents and threw the ball for a loss two or three times.

D. White walked through the Asheboro defense in the second quarter, and by a good exhibition of broken field running, carried the ball 55 yards for a touchdown. White got through owing to the inherent weakness of the opponent's line rather than interference of his team mates, and he side-stepped and outran the backfield. The great gallery of spectators were favorably impressed with White's nimbleness and side-stepping ability.

In the third quarter the Pointers stood in a good way for a touchdown which was thwarted by three fumbles on the part of D. White. The fault was not entirely with the puny half back, however, as a substituting center threw the ball away twice.

Gernander carried the ball over for the first touchdown in the first quarter, after substituting for L. White at halfback. White made the second touchdown in the second quarter, and Gernander followed with a goal. Gurley pushed the ball over the goal line in the third quarter by a line plunge. Dick White scored another goal in this quarter and Gernander followed with another goal.

Ya-as Indeed

A man was fussin' about the high cost of living in the U. S. "Why," he said, "even tho' I do get a large salary, I have to spend the whole thing. Why in Cuba I could live just as well as I do here, on 10c a day." "Well, why didn't you stay there," responded his companion.

"Oh, I couldn't get the 10c that's all."

The locals were able only occasionally to break through their line at all, bring forward to utilize the off-tackle play, and end runs in order to score the two touchdowns.

GIRLS' ATHLETIC ACTIVITIES

Girl's athletics is playing a big part in the physical development of the girls this year in the high school. A volley ball team has been organized by Miss Tabor and also a hiking club by Miss Brewer. Volley ball practices are being held every afternoon at 3:30 p. m. Two volley ball courts have been erected on the school ground, which enable two teams to practice at one time.

Later on an inter-class tournament is to be held. A team of eleven from each class will participate in it. 22 girls have already reported for practice.

Volley ball is an interesting and exciting game. If the girls will give their hearty co-operation we will have some teams worth boasting about. Co-operate is the word, in order that a good team be realized.

We also have a hiking club in H. P. H. S. Sixteen girls have joined. They went on their first hike last Thursday; Miss Brewer and Miss Beeson acting as chaperones. They hiked to the Country club. These hikes are being held every week so as to enable the girls to earn a letter more easily and also develops them physically.

CALENDAR

There will be no school on the following days: October 24, November 27-28, December 20-30.

Schools will close at the regular hours on Friday, December 19, and reopen at the regular hour on Wednesday, December 31. The same rule will apply to opening and closing hours on days immediately preceding or following other holidays.

Telephones: The school telephones are for the transaction of necessary school business. They are not to be used by anybody merely for personal convenience. Pupils should be notified at once that they may not use the telephones, except such pupils as may be designated by the principal to do so for school purposes. Any principal or any teacher, however, may telephone for a pupil whenever the need seems to be sufficiently urgent. Pupils are not to be called to the telephone for conversation with parents or other parties who may make the request. Messages for pupils may be received by any principal or any teacher, but the message should not be delivered unless it is a serious nature, and based upon some unforeseen or unavoidable circumstance.

Greensboro's "Purple Whirlwind" did not stir up a breeze last Tuesday. Better invest in a wind mill, boys.

We have a new name for High Point high school's football team—Winnem all.

Oh! Oh!

My Bonnie once loved a young maiden,
 And rashest of lovers was he,
 He cut mathematics to meet her,
 O bring back my Bonnie to me!
 —Exchange.
