## GIRLS LOSE TO WINSTON-SALEM

Winston-Salem high school defeated High Point girls 41-23 in a baseball game Tuesday afternoon, on Reynold's field, Winston-Salem. The local girls started the game with plenty of pep, with Hutchinson pitching and Farlow catching. They held high score for the first three innings, until Winston staged a rally and made about eight or ten runs in the fourth inning. The locals played a good game all through, but Winston out-witted them and it was so cold that the girls stood out on the field with their hands in their pockets shivering. They are to have Winston visit here before long and the High Point fans are to have a real thrill in baseball.

## TRACK TEAM GOES TO CHAPEL HILL

High Point will be represented by 12 good athletes in the state track meet at Chapel Hill next Friday, April 10.

For over a month the track team has been working out every afternoon to get in good shape for the state meet. From a squad of about 30 fellows 12 were selected to represent H. P. H. S.

They do not have a Perley Fogleman this year, but Bill Montgomery is expected to take the laurels for the mile run that Purley captured two years ago. Allen Crowson, a freshman, is lined up for the 100 yard dash. Crowson can get away from the line in a "quick hurry," but it is not known how he will finish.

Ward Packer and Blase Daniels are scheduled for the running broad jump. They say they can be counted on to get a point.

The relay team has worked together but a few times, still there is a good chance of winning in this event. The relay team is composed of Floyd Vuncannon, Marvin Matthews, Thomas Hoks and Cleve Loman.

George Wilson and Marvin Davis are not Romans, but they throw a wicked javelin. Besides throwing the javelin "Bud" will throw the discus and Marvin will throw himself into the meet as a high jumper.

It would not seem possible that Fred DeLapp could take a pole and vault eight feet high. But Freddie can go that high in practice E-Z. What will he do if he tries hard?

This is Charles Robbins' first year in track work. Nevertheless, a great deal is expected of him. He will undertake the task of running the 100 low hurdles and the 220. Mr. Howell wants him to "overtake" the first man.

## PAUL RUTH ELECTED TRACK MANAGER

At a gathering of the track boys, Monday afternoon, March 30, Paul Ruth was unanimously elected track manager for this season.

The boys feel that they have chosen well, as Paul is a boy they all like and one who has lots of pep. For the past three weeks, on his own initiative, he has been serving the boys. There are many duties for manager to perform but Paul also hopes to run a little on a sideline.

## H. P. H. S. DEFEATS SPENCERITES

Spencer High hit hard and regular, making 17 round trips during the eight inning slugfest, but the Pointers went them one better and won a slow game, 18-17. The affair took place at Spencer last Thursday, April 2. It was one of the slowest games of the season, taking three hours to play it.

Lloyd Howell opened for the Pointers, pitching fairly good ball for five innings, when he was relieved by Chet Smith, southpaw, who twirled the remainder of the contest.

Lloyd reired seven men by the strike-out route, and Chet six.

The Pointers made a merry-go-round out of the diamond in the second inning, when they crossed the counting platter nearly a dozen times.

Foust caught a nifty game. Foust and Farlow tapped several three batters.

## THIS WEEK IS BOYS' WEEK

Boys' week is to be observed in High Point April 6 to May 2. People who saw and participated in this last year know that this will be a really big occasion.

Representatives met some time ago and expressed their willingness to cooperate.

Last year a big parade and a field event were the chief features. Boys' Week was observed in the schools, churches, in athletics, and out-of-doors. It is certain that the plans will be bigger and better this year.

This movement originated in New York City in 1920 and has now assumed an international proportion.

## HI Y MEETS

The Hi-Y Club held its weekly meeting Wednesday morning, March 25. The devotional exercises were led by Ward Packer. The club continued its reading and study of the "Manhood of the Master," a book written by Fosdick that relates the everyday happenings in the life of our Master.

An invitation was extended from the Thomasville Hi-Y Club to meet with them in Thomasville March 20 at a joint banquet with Lexington. Because of short notice and other activities the invitation could not be accepted.
