

JUNIOR BLACK BISON TIE THOMASVILLE, 7-7

The second team of High Point high school tied the Thomasville eleven Friday afternoon by the score of 7 to 7. The game was fast and well played, with the Pointers outplaying the Thomasville team. However, they were unable to do more than tie the score. High Point's score came a few minutes after Thomasville had made theirs as the result of a pass to Ingram.

In the first quarter Thomasville intercepted a pass and carried the ball within five yards of High Point's goal, but a pass was knocked down over the goal line, and High Point received the ball on the twenty-yard line. Thomasville got the ball again on a fumble and started another march down the field. This time Sizemore intercepted a pass and circled right end to carry the ball forty yards up the field. But the Pointers could get no further up the field and were forced to kick.

The teams punted back and forth in the second quarter with neither team being able to gain. High Point kicked off in the second half, and Webb, substitute for Thomasville, carried the ball sixty-five yards around right end for a touchdown. The extra point was counted on High Point's disobeying a rule. A few minutes later with gains from Willard and Sizemore, Ingram grabbed a pass to score High Point's touchdown. He also made the kick for extra point.

The Pointers were playing at their best in the last quarter and kept the ball near the Thomasville goal, but were unable to score.

GREYHOUNDS DEFEAT GREENSBORO, 5 TO 0

The High Point high school soccer team took their second game from Greensboro high by the score of 5 to 0. The Greyhounds kept the ball in Greensboro's territory most of the time, only the sluggish playing of the line keeping the pointers from rolling up a large score. Both fullbacks played well, while Coble did nice work at right half.

High Point kicked off in the first quarter and quickly scored a goal before the Greensboro team could get started. The Greyhounds were unable to score again during the first quarter, although the ball was kept in the vicinity of the Greensboro goal.

The locals scored three times in the second half and halted every Greensboro attempt to score. One of the visitors, in an attempt to block a kick for a goal, butted the ball; but it struck his head and bounced on through for a goal. High Point made their last score in the last quarter to bring their total up to five. The game ended with the ball still near Greensboro's goal.

HOCKEY TEAM LOSES TO WINSTON; SCORE 2 TO 1

The High Point high school hockey team lost the first game of hockey ever played by the High Pointers to Winston-Salem on Friday, November 9, by a score of 2 to 1. From the minute the first whistle blew to the end of the game, no one was able to tell who would win. The local girls gave High Point an especially good showing, holding so well such a fast team as that of Winston.

High Point started the game off in a rush, with Clapp scoring during the first five minutes of play. During the entire first half, the ball was kept in High Point's territory most of the time. Winston made one goal this half.

Winston came back in the second half with the determination not to be beaten. During the first part of this half the ball was kept in the center of the field, neither team being able to get through the strong defense of opponents. About the middle of the half Winston got through High Point's defense and scored.

The High Point girls were more determined than ever to win. They fought their very hardest, and soon Clapp again sent the ball through the goal posts; however a High Point girl was off-sides and the point could not be counted.

Every member of each team played a clean, hard-fought game. Special credit goes to Clapp and Dot Smith of High Point.

VOLLEY BALL SERIES BEGAN ON NOV. 12

The volley ball championship series starts Monday, November 12, with the freshmen playing the sophomores. On Tuesday the junior play the seniors. The class championship will be decided Wednesday, the winner of the freshmen-sophomore game playing the winner of the junior-senior game. This ends the class series.

However, the real championship will not be decided until Thursday when the school class champions meet the strong faculty team. Then on Friday the winner of this game plays the all-stars for the real championship of the year.

Club Notes

French Club I

L'Alliance Francaise elected officers at the meeting Tuesday morning. Miss Rogers presided while the following officers were elected: president, Winford Hinkle; vice president, Agnes Byrum; secretary, Elizabeth Liles; treasurer, Mildred Schultheiss; THE POINTER reporter, Rip Tabb; chairman of the program committee, Anita Kerr; chairman of poster committee, Louise Kearns, and chairman of the social committee, Roy Hepler. Each officer made a short speech of appreciation for being elected.

Miss Rogers outlined the work for the year, and then the club named itself, "L'Alliance Francaise," which means in English "The French Club."

Retort Chemistry Club

The reading and adoption of the constitution were among the several matters taken up during the meeting of the Retort chemistry club Tuesday morning; also a discussion of the club pins was held. The social committee was appointed as follows: Jeanette Peterson, Robert Byrum, Spencer Osborn, and Mary Dowdy. This committee will plan some interesting topics for the club during the year. Miss Tucker discussed for the club noted women in the field of chemistry.

French Club II

The senior French club at the meeting Tuesday morning decided to learn the Lord's prayer in French and to use it as a part of the devotions of the meetings. After Elizabeth James read a report on the origin of "The Marseillaise," the club spent some time in learning the song.

Beginning at the next meeting all business will be discussed in French. Each member will answer the roll call with the name of a flower.

The club, after voting to sponsor a scrap book large enough for the entire French department for two years, elected Marion Williams custodian of it. All French club members are invited to bring appropriate clippings, pictures, etc., to Marion Williams or to room 105, where the huge book will be on exhibit.

Scribblers' Club

The scribblers' club was organized on Tuesday, November 6. An original piece of work was submitted by each member in order to join.

The officers elected were: president, Doris Allen; vice president, Sally Baynes; secretary, Johnnie Surratt; reporter, Hazel Shugart.

During the year the members will read a number of short stories, one-act plays, and poems. The study for first semester will be short story writing; for the second semester, play writing, and versification. Each member will be expected to write one short story, one play, and two poems.

Travelers' Club

The expeditions of the north and south poles were discussed by the travelers' club Tuesday morning under the direction of Wilma Welborn, president. Interesting reports were made by several members of the club on the same topic. The reports were "The South Pole," by Nancy Myatt, "A Comparison of the North and South Poles" by Emma Carr Bivens, and "Preparation for Byrd's Expedition" by Eleanor Stephens.

An announcement was made to the effect that Eleanor Stephens, Nancy Myatt, Frank Sizemore, and Ella Anderson will serve on the program committee. Emma Carr Bivens will be the reporter.

Oratio Club

The oratio club spent the meeting period Tuesday morning in electing officers. These are: Raymond Ritchie, president; Eloise Best, vice president; Mildred Boswell, secretary-treasurer; Wilbur Hutchens, critic; Percy Idol, censor; Dorothy Franklin, reporter; and Mayna Allen, chaplain.

The club is growing, as at the last meeting there were about thirty-five members present. It ex-

pects to accomplish much this year in preparing its members to be better speakers.

Art Club

The art club elected officers during the meeting Tuesday, November 6. They are Edgar Lewis, president; Sue Everhart, vice president; and Howard Marsh, secretary.

Mrs. Baylor talked to the members about the different types of art that they might be interested in. They discussed painting articles for Christmas, and also the study of art appreciation.

Edison Science Club

The Edison science club re-elected officers Tuesday morning. The officers who were elected are as follows: president, Bruce Armstrong; secretary and treasurer, Jack White.

The program held was on Edison's life and inventions. Some of the topics were: "Edison's Early Life," "Work on Typewriter," "Work on Batteries," "A Dictagraph improvement," "Pre-War Activities," "Aid to the Fur Industry," "Back to the Phonograph," "Looking for Rubber source," "Edison is Awarded a Congressional Medal."

Senior Girl Reserves

The meeting of the senior girl reserves Tuesday morning was in charge of the membership committee. Miss Abernethy made suggestions for making booklets this year.

Sophomore Girl Reserves

The main feature of the meeting of the sophomore club of girl reserves, Tuesday morning, was the installation of officers, conducted by Miss Matson. Following the installation services the various cabinet members were assigned their individual duties and then the members who were to compose the committees were announced. The chairmen of the five committees are as follows: Mary Louise Cates, social service; Jane Hess Weaver, program; Dorothy Fritz, social; Eugenia McMullan, membership; and Kate Workman, finance. The rest of the period was spent in discussing business.

Freshman Girl Reserves

The devotional services of the meeting of the freshman girl reserves was based on their code, and was led by Miss Preddy. The chairmen of the committees were announced, as follows: program, Jane Franklin; ways and means, Mary Elizabeth Bennett; social, Lono Belle Trant; and service, Virginia McCain. They decided to go on a hike next Tuesday. The installation services were postponed on account of lack of time.

Junior Dramatic Club

Another simple but attractive program on initiation was planned by the advisers of the dramatic club Tuesday morning, for the many students desiring to enter the club, but who were unable to fill requirements before November 5. Miss Singer, a new adviser, discussed the possible plans of the year. Miss Beard gave an interesting reading from Irma and Paul Green's play "Fixins." This meeting, held Tuesday morning separate from the senior dramatic club for the first time, will continue to be held separate from the other club.

Senior Dramatic Club

At the meeting of the senior dramatic club on Tuesday, November 6, the following officers were elected: President, Lucas Ables; vice president, Rose Askew; secretary, Anna Gertrude Douglas; treasurer, David Parsons; reporter, Elizabeth Ragan.

Each of the newly elected officers then thanked the club for his election and urged that the club attempt new fields of dramatic interest in the coming year.

mittee, has worked out charts to show the number of tardies in each room. It will also show the percentage of tardies in each class.

The chart which shows the number of tardies in each home room is arranged like the one which was made for THE POINTER campaign; that is, with the number of the

home room at the top of a column, and with the mercury starting at the bottom. The rooms are grouped according to the classes, with the senior rooms together, the junior ones together, and so forth.

The number of tardies is shown on a chart which is divided into six week periods. Under each division are four thermometers, one for each of the classes.

The purpose of these charts is to lower the percentage of the tardies in the rooms and classes.

VARIED PROGRAMS ARE PRESENTED IN ROOMS

discussed. Many students told of their hobbies, and why they enjoy them. Almost every room has had a program on trees. The poems, "Johnny Appleseed" and "Trees" have been popular. In room 303 Raymond Welborn read the story of the "Oak Family," demonstrating the different patterns of leaves that characterize the oaks.

One room had one entire program on "Facts About Our State." In this room the North Carolina flag was described, and state songs were sung. Room 306 had lengthy discussions on loyalty to the individual athletics, the school, and THE POINTER.

In room 208 Felix McCain showed his art as a magician one morning in a home room program.

A few rooms have had programs on health. Others have studied and discussed interesting subjects such as parliamentary procedure.

Those who planned the programs are pleased with the way that the rooms are working them out, and they hope that they will continue to be both instructive and entertaining.

NOVEMBER SKIES

November skies, I watch you, love you, cherish you,
Because you are the bright skies,
gray skies, blue skies,
Covering a changing forest of yellow trees, brown trees, red trees—
