

HOCKEY TEAM HAS MADE A SPLENDID RECORD FOR FIRST SEASON'S PLAYING

FOUR GAMES ARE PLAYED—ONE TIED—OTHERS ARE LOST BY SMALL SCORES

The general opinion is that the hockey team has had a successful season, even though they did not win a game. They did however, tie one and lost the others only by small margins. It is to be taken into account that most of the schools which the High Point team opposed were ones which have had several years of experience.

The first game was played with Winston-Salem there and lost by a score of 2 to 1. On the 13th, the girls went to Greensboro. There the day proved an unclucky one for them, for the final count was 2 to 0 favor of the G. H. S. squad.

The third game is considered the best of the season. It was played on the local athletic field with the fast and experienced team from Winston. The final score was 0 to 0. Some superior playing was seen on both sides and the fray was an exciting one throughout. Winston has not been defeated this year and this was the first time that they had even been tied.

Although not the equal of the preceding game, the one with Greensboro, here, was well played. The visitors won, 3 to 1.

On a whole, local officials and Miss Wilson, the coach, were well pleased with the showing made by the locals. They are looking forward to even a better record next year as only a few of this year's team will be graduated in June.

PERSONNEL OF THE HOCKEY TEAM

Dorothy Willis—Dot was the capable manager of High Point's first hockey team. She was always willing to help the team in any way she could. We appreciate your work, Dot.

Bessie Hedrick—Bessie had the honor of being captain of High Point's first hockey team. She played left inner and could take the ball down the field faster than any one seen in action this year. The team will be depending on you next year, Bessie.

Edna Mae Clapp—In Edna Mae the team possessed a real player. She is a sophomore and played center forward, one of the most important positions on the team. She scored the two goals that High Point made this year.

Thelma Lotts—The team had a steady player in Thelma Lotts. She played right halfback and was always on the job. The team will have Thelma for two more years.

Carol McKee—Carol was the only freshman on the team and played right full back. She was very instrumental in keeping the ball from High Point's goal at critical times when it seemed that opponents just would score.

Gladys Farlow—Gladys played left wing. She played a steady game the whole season. The team will miss her next year.

Rae Smith—Rae played fullback in every game except one. She was a good fullback; however she could play halfback just as well. In Rae, High Point will have another capable player for two years more.

Minnie Bain—Minnie's position at center halfback was well filled. She had one of the hardest positions in the defense, as she always had to mark the opposing center forward. Minnie is a junior this year.

Rose Askew—Rose Askew, a junior and an all-around athlete, played fullback. She played a good game and we're looking forward to having her back again next year.

Dorothy Smith—Dot, another junior, was one of the best halfbacks on the team. As long as she could stay on her feet, she was always after the ball. Let's watch Dot next year.

Anna Gertrude Douglas—Anna

Gertrude played goal keeper. She prevented many would-be scores. High Point will lose a good player when Anna Gertrude is graduated next spring.

Eloise Ingram—Eloise was the smallest player on either High Point's team or any opposing team. However, she made up for her size in her speed. She is another member of the team who will be back next year.

Hazel Scoggins—Hazel is a sophomore and played goal keeper. She gave the team the best she had in the games she played in.

Velva Hayden—The team has another good player to depend on for two more years. Velva plays wing and she's a good one, too.

Julia Gold Clark—Julia Gold is the kind of person that every team should have. She can play almost any position. She will be back next year and will surely be an asset to the team.

Alma Andrews—Alma played wing in the Winston game although she was a better halfback than a wing. We're expecting great things from her next year.

Elizabeth Ragan—Lib is another person the team will surely miss next year. She also can play any position. In the Winston game she played inner and in the Greensboro game she played fullback.

Virginia Hunt—Virginia is a senior and a right wing. She played a steady game the entire season.

SOPHOMORES WINNERS IN VOLLEY BALL GAMES

Ladies of Faculty Are Defeated By Fast-Going Team Monday Nov. 26th in Gymnasium

The volley ball season of 1928 ended last week, with the sophomores as school champions. The championship series started Monday, November 19th. At this time the freshman team met the sophomores. The sophomores won three straight games by decisive scores. This entitled them to play the winner of the junior-senior games. On Tuesday the senior-junior game was played. This game was won by juniors. On Wednesday afternoon the sophomores met the juniors. The sophomores took this game. Then they challenged the faculty team. It was decided that this game should be played on Monday, November 26, in the gymnasium.

On Monday, members of the faculty were ready to meet the sophomores. This proved a real battle. Miss Albright and Miss Wofford did their best to spell victory for the faculty, but in spite of their efforts the sophomores won two of the three games played.

In all of the game it could be seen that the sophomores had a very strong team, and no one was surprised when, on Monday afternoon, they were declared school champions.

SOCCER TEAM LOSES CHAMPIONSHIP GAME

The Greyhounds lost the championship soccer game to Winston Wednesday afternoon by a 2 to 1 score. High Point outplayed the Winston eleven, but could not keep the Winston team from scoring. High Point's goal was scored on a penalty kick, while both of Winston's were field goals.

Winston was kept on the defensive most of the first half, but managed to score in the second quarter. High Point tied the score a few minutes later, when Smoak

kicked a goal on a penalty kick. Winston scored again in the last half, when with the ball near High Point's goal it hit the referee, and bounced in front of a Winston player to be kicked for a goal. High Point was unable to score in the last quarter although they kept the ball in Winston's territory most of the time.

PRESIDENT FOR GIRLS WILL BE CHOSEN SOON

Helen Osborne, Lib Ragan, Mayna Allen, Rose Askew, and Anna Gertrude Douglas Are Nominated

The nominees for the presidency of the girls' council have been announced. The five girls who have been nominated are: Mayna Allan, Rose Askew, Helen Osborne, Anna Gertrude Douglas, and Elizabeth Ragan.

For the nominations, the girls' friends handed in to Miss Albright names signed by ten friends who wanted that nominee. Only two people had their names presented this way. So, the nominating committee consisting of Genevieve Sheetz, Helen Jones, Dot Crawley, and Virginia Hunt met with Miss Albright and nominated the others. At an early date the girls will have the privilege of voting for their candidate.

PAINTING COLLECTION NEW LIBRARY FEATURE

(Concluded from Page 1)

copies in the library are The Sistene Madonna, Madonna of the Chair, The Last Supper, Mona Lisa, The Blue Boy, Frieze of Angels, and The Night Watch.

All lovers of good art will find much enjoyment in these very true and representative pictures. They are placed in a manila cover at the right of the main door of the library. In the card index a separate part has been put aside for an index of the paintings. The index is in three parts: the school of painting under which head the painter comes, the painter, and the titles of the pictures. This has been placed in the library for the use and convenience of the students and those of the teachers who are interested in art. They will find the index very valuable for quick research. The seekers of home room program material will also find these pictures a solution for at least one good program.

It is suggested that everyone, some time while they are in the library, try to see these pictures.

HOLIDAYS FIND MANY TEACHERS OUT OF CITY

(Concluded from Page 1)

city. Several, too, attended football games.

Mr. Owens, thinking these things much too tame for him, went to Baltimore and was a distinguished speaker at the National Council of English Teachers.

Mr. Johnston, still thinking of school, went to Dallas, Texas, to attend the education conference there. While there, he visited some of the leading high school buildings of the South.

The teachers who spent their Thanksgiving at home are: Miss Elizabeth Lindsay in Chester, S. C.; Miss Alcorn, in Ruffin, N. C.; Miss Ruth Wofford, in Woodruff, S. C. She also spent some time in Spartanburg. Miss Greenwood was at home in Statesville; Misses Flossie Foster in Salisbury; Mae Graham in Fayetteville; E. Younginer in Asheville, N. C.; Meek Beard in Cornelius, N. C.; Helen Derrick in Lancaster, S. C.; and Mr. Sloan in Salisbury.

Miss Morgan spent some time at her home in Danville, Va. The rest of the time she was acting in a local talent play. Mr. Robert Marshall was in High Point directing a play, while Mr. Spencer was at the Carolina-Virginia football game.

Mr. Patrick prefers to keep his whereabouts during Thanksgiving a mystery.

Mr. Alston still doesn't know what he did during his holidays. We were hoping he was not that bad.

Mr. King was at home still "hangin' around."

Miss Grace Henderson had as her guest in Monroe, N. C., Miss Janet Harris.

Miss Anne Albright spent Thanksgiving in Charlotte with her two sisters. Part of the time she was out in the country horse-back

riding with friends. We're wondering if she can manage a horse as well as he can the girls of High Point high school.

Miss Mae Meador spent the day in Thomasville with her aunt.

Miss Essie Dale Hunter and Miss Singer were in Greensboro visiting.

Mrs. Harbison was at home entertaining company.

Miss Smith, Miss Rogers, Miss Collins and Miss Barker stayed in High Point.

"GO TO SCHOOL NIGHT" IS HELD FOR PARENTS

(Continued from Page 1)

teachers attempted to give the parents an idea of the aims of the course and the standards required of the individual pupil. This also furnished an opportunity for the teachers to discuss the work of individuals with the parents.

The climax to the day was the lunch which was prepared and served by Mrs. Baylor in the cafeteria. Here the parents were able, like their children, to buy well prepared food at a nominal price. Students were on hand to help the parents.

After the visitors had completed the day's schedule, the association adjourned.
