## LOCAL BASEBALL TEAM TIES WINSTON-SALEM

### Visitors Take Lead In Seventh But Farlowe Gets One Run to End the Game a Tie.

The High Point high school girls' baseball team tied the strong team from Winston-Salem on the local field last Saturday afternoon. This was the first game played by High Pointers this season and they exhibited an especially good brand of baseball playing.

The locals started the game off with a rush and scored 5 runs in first inning to Winston's 2. During the first half of the game the locals scored 7 runs to keep a lead over the visitors until the last period, when Winston scored their eighth run. The Pointers came back strong in the last half of the

seventh, but defeat seemed sure with two outs and one run short. Farlowe scored the run on Foxworth's hit that saved the game for the locals.

The entire local team played a good game and the outlook for a very successful season is good.

results. By the use of a few figures, the students were shown the possibilities of as short a time as thirty minutes a day if used correctly. "The conditions upon which scholarship may be attained are to have a desire for learning, to expend the necessary time, and to read both widely and rapidly. For the last, if you cannot read the average novel in three or four hours you are wasting your time. Learn to read rapidly," advised the speaker. He added that the encyclopedic notion had been abandoned, for since the tremendous progress in civilization, complete knowledge is no longer possible. "You are young and strong," he concluded, "use your strength in the betterment of mankind."
