

Newsreel To Carry Students To Scene Of Action

STUDENTS TAKE PICTURES, COMMENT AND SUPERVISE

The moving picture routine in the High Point High School is taking a definite turn this year since Mr. Thomas Baldwin and several students are planning to make a newsreel of the important events in the school this year.

We know that we like to see ourselves and our friends in the "movies" when our own events are flashed on the screen. Mr. Baldwin believes that it would be much more fun for the students to take the pictures, edit the films, and be the commentators when the pictures are shown.

In making a newsreel—this reporter discovered that a newspaper and a newsreel are edited on the same basis. In each, the assignments are made, after the plans have been mapped out of course, then the cameraman who is supposed to cover certain events takes his camera and photographs the football game or what ever the event may be. The cameraman is told, in most cases, just how many feet of film he is to use.

Mr. Baldwin stated that these newsreels will not be shown as a complete picture. Several short features and a complete picture, will probably be shown with the newsreel.

These pictures will be up-to-the minute pictures of different events sponsored by the student body. The programs will be very interesting and very entertaining.

RADIO CLUB PROGRAM THURSDAYS ON WMFR

Junior Hi-Y Bids Twenty-four Boys Into Membership

Twenty-four students will become members of the Junior Hi-Y at an initiation meeting next Wednesday.

Students who will be honored are: George Humphries, Cecil Garreaa, Bud Kivett, Jimmy Smith, George White, Herbert Ingram, Bill Currie, Bill Bencini, Robert Hedrick, James Varner, Clark Wilson, Herbert Hodgins, Albert Evans, Louis Voorhees, Dick Ring, Frank Hunsucker, Bill Atkins, Lloyd Flythe, Garnet Pollock, Earl Frazier, Bill Hall, Frank Montgomery, Ross Hedrick, and Hunter Dalton.

The Junior Hi-Y holds its meetings on Tuesdays. During previous meetings plans have been made to prepare Thanksgiving baskets for the needy. Also they have been planning for their Thanksgiving Program.

The Senior Hi-Y which meets on Thursdays has not as yet made plans for taking in new members.

Programs of the two groups are in charge of the students, and they frequently secure prominent civic leaders to speak to them on leadership, religion, and other related topics.

Mr. Sam Smith and Mr. Tony Simeon with the help of Mr. Edgar Hartley, of the Y. M. C. A., are the advisers of the Senior and Junior Hi-Y's, respectively.

INTRA-MURAL SPORTS INTRODUCED THIS YEAR

(Continued From Page Three) a letter a person need only compete in one sport. So that the Intra-Mural letters will not be confused with the Varsity letters they will be smaller and have "I. M." on them.

At the end of each season a championship team will be decided for each sport. To win the championship does not necessarily mean a team has to win the most games. A point system will be used. For the number present at each game and for games won points will be given in accordance. To give everyone a fair chance points will be given in accordance. players on a team do not play in every game.

Varsity contenders will be barred in certain instances. Of course a boy who plays varsity football will not be allowed to play in tag football but he may take part in baseball or wrestling, that is a sport that is not related to football.

Tag football will be in full swing in a few days so let's all try to produce a team in the home room that will win the coveted championship.

Heard: Jack P. in history class discussing "Madam Dew Berry."

Sophomores in 308 are proud to argue over High Point's football chances.

Here's a tip, teachers. Poor lessons on Monday are caused by football games during the weekend.

How are the elections for intra-mural representatives coming along?

101 attracts all stray animals in the neighborhood. So far, several dogs and cats have paid visits.

H. W. was asked by a teacher what the word "paling" meant, as used in the sentence: The log cabin was completed by a paling seven feet high.

According to him, a paling is a pale-faced man. Seven feet high!
