Students Plan Pep Meeting And Parade

Alumni Welcomed Back To High School and To Game Tonight

Homecoming activities will reach a peak tonight as past and present students meet at the Albion Millis Stadium for the Black Bison-Gastonia Green-Wave football contest.

Minor changes have been made for homecoming. Sixth and seventh periods will be cut short. Seventh period will end at 2:35; students will go to their homerooms at 2:40; and at 2:45 the student body will assemble in the auditorium for a pep meeting. At 3:30 o'clock this afternoon the parade will start. The line of parade will be formed on Jones Street next to the school.

The varsity cheerleaders will lead the parade. They will be followed by the High School band. After the band the senior homerooms form after them, the Juniors and the Sophomores. The Junior High School students will follow the Sophomores.

Since the college band had made previous arrangements for this afternoon, they will not be able to play in the parade.

Miss Madeline McCain, faculty adviser, asks that each home room have but one car in the parade, and that this be used only when necessary.

The parade will start from the High School and go down Jones Street to Lindsay. Leaving Lindsay at Church Street, the line of march will continue to Main Street and down Main Street to Commerce. Then, the parade will continue up Commerce. (Continued on Page Four)

Student Congress Goes To Durham; Officers Elected

Durham is the city in which the State Student Council Congress will hold its meeting next year. The Pointer stated last Friday that the city would probably be Rocky Mount. This marks the fourth occasion that Rocky Mount has asked for the conference and has failed to be given that honor.

Officers elected for the State Student Council Congress are: Bahnson Gray, Winston-Salem, president; J. D. Dorsett, Raleigh, vice-president; and Paul Kerns, Kannapolis, secretary. Roger Taylor was president of the Congress last year.

Active Cameramen Record School Events

Newsreelmen will be "Johnny on-the-spot" today when they record homecoming activities in technicolor.

Today the cameramen will take pictures of the parade in technicolor. This is the first time that pictures have been taken by the club in technicolor.

The newsreel club, organized by Mr. Thomas R. Baldwin, has already taken over 200 feet of film of school activities. So far, the newsmen have taken pictures ranging from Junior Hi-Y initiation to Chapel programs. They have made still shots as well as moving shots. Of particular interest will be the showing of the High Point-Salisbury football game next Wednesday morning along with the feature "The Doomed Battalion."

Membership of the club at the present time is composed of Stephen Clark, Bradford Thomas, Glenn Payne, Richard Hargett, Joe Garner, N. L. Garner, Clyde Wood, and Berl Hunnewell.

WMFR INSTALLS REMOTE LINE TO AUDITORIUM

A remote control line has been installed from High Point Station WMFR to the High School auditorium.

The line was installed about two weeks ago. The address by Rev. Tom Sykes broadcast this morning marks the second occasion on which the line has been used, the program of the Greensboro High School band being the first.

Although the line can be controlled at the station, Mr. Howard Carter, faculty adviser, stated that the plans of the Radio club are to continue broadcasting from the station. He explained that it is easier for the technicians to control the broadcast from the station due to the limited facilities of the school.

SENIOR CLASS RINGS TO BE ORDERED SOON

Senior class rings will be ordered on November 22.

The class rings will be purchased from the same company that purchases have been made from in previous years.

The design of the ring is the same as that of last year. In addition, however, students may have a ruby stone inserted. There is a slight variance in the cost of the rings with and without the stone.

When measurement is taken for the rings, a set ring will be on display in the general office.

Delivery will be made sometime in the early part of January.

Dr. W. A. Smart Addressed Chapel Thursday Morning

Dr. W. A. Smart, of Emory University, Atlanta, Georgia, addressed the student body yesterday morning on "New Aristocracy in the United States." He stated that people in general have the wrong idea concerning aristocracy. He stated that they think more in terms of money than what contributions they can make to the world.

Kathryn Allen, president of the student body, introduced Dr. E. H. Blackard, who in turn introduced Dr. Smart.

BILL WAGNER AND ALVIN BOLES CAPTAIN BLACK BISON ELEVEN

Bill Wagner, the captain of the Black Bison football squad, is now participating in his fourth year on the football team. He has made two letters in football since entering the High School. Like Alvin Boles, alternate captain, he is a senior.

Alvin Boles, alternate captain, is a football letterman. He received a letter last year for his work on the team. Alvin has played on the football team for three years. He is a senior.

The Pointer wishes to congratulate these two men for their work on the team. They have been outstanding players! However, it is not for their play that we wish to commend them. Because of the spirit that they have made manifest and because of their interest in the football team, each member individually, we wish to say, "Best of Luck."

The Pointer would also like to add that there are others just entering football who are to attain as high honors as Bill and Alvin. The Pointer says to them, "Honor comes the hard way. Don't lose courage."
