Wingate Andrews Memorial Approaches Completion

Rotary Club Bronze Tablet Completed; Exercise Probably Be Held Before Christmas.

The Wingate Andrews Bronze tablet memorial to be dedicated by the High Point Rotary Club in memoriam of the late Dr. T. Wingate Andrews, who was the superintendent of the High Point Public Schools, has been completed.

Mr. O. Arthur Kirkman, chairman of a committee of the school board, stated that the plans are being carried on for the erection of a granite background on which the tablet is to be placed. The granite marker is to be erected by the school authorities and the city of High Point.

It is expected that the memorial will be erected and dedicated sometime before Christmas. Detailed plans have not been completed; however, Mr. Carter Dalton, chairman of the Rotary Club committee, and Mr. O. A. Kirkman, chairman of the school board committee, stated that plans are being formulated and that these plans will be announced later.

The bronze tablet reads:

French Students Plan Column For the Paper

The A and B students of second year French will begin writing a French column for the POINTER soon.

This work will be done under the direction of Mrs. Leila Bell Rogers, head of the French Department. The students will do the actual writing and Mrs. Rogers will check the work before it goes to press. One handicap that the column will have is that the Print Shop has no accent marks for the words.

The column will be composed of French anecdotes, jokes and other things of interest.

ROOM 316 ENTERTAINS 202 IN PAID-UP POINTER RACE

Did 202A enjoy that Weiner roast? Naturally, they did. Why? Well, 316 lost a Paid-up Pointer Subscription contest.

It happened last Tuesday evening at the City Lake. Students left together from the High School and reassembled at the city lake.

It was rumored in the Pointer office today that some of those attending the party forewent the pleasures of eating for swings and see-saws, but the pounds of weiners consumed would attest to refutation of that rumor.

address to the Parents-Teachers. It is generally understood in room 202-A that all rooms wishing to enter contests are welcome. This is especially true when a picnic is just in the offing.

Honor Society Tap Day To Be Held On Friday December 2

The Honor Society will hold its fall "tap-day" program on Friday, December 2. The Honor society extends bids to membership twice a year, once in the fall and once in the spring.

Seniors only are asked to join the Honor Society in the fall and in the spring ceremonies both Juniors and Seniors will be asked to join, Mrs. Lelia Rogers stated. Mrs. Rogers is the faculty adviser of the organization. At the present time it has but six members.

Thanksgiving holidays will begin Wednesday afternoon, November 23, at 3:15 o'clock. School will be resumed on Monday morning, November 28.

The Pointer wishes for each of you a pleasant Thanksgiving season.

Football Receipts Largest Last Week In Past Six Years

Receipts from the Gastonia High Point Football game were the largest that Mr. Alga DeWitt, school treasurer, has received from one athletic contest in the six years that he has been school treasurer.

Mr. Dewitt stated that he is expecting still larger receipts from the High Point-Greensboro game tonight if the weather remains fair. Although Mr. DeWitt usually has but one assistant in selling tickets, and two ticket takers, tonight he will have four.

Extra Seats Among Preparations For Anticipated Crowd Tonight

Student Body To Participate Band Uniform Drive

The student body will have an opportunity next Wednesday morning to make any contribution that they might desire for the Band Uniforms.

The Civitan club is sponsoring a program whereby Band uniforms may be secured for the High School Band. It is the plan of the Civitan club to raise the amount needed for the purchase of uniforms.

On next Wednesday a picture will be shown in the auditorium under auspices of the Music Department. All homerooms will attend this picture. No admission will be charged but students will be asked to make contributions. The total amount will be turned into the Band Uniform fund. The result of the drive will be published.

The picture itself will be of particular interest to all music lovers. Although of an educational nature, the picture will include many scenes of interest to those who are interested in the modern development of music.

THREE SENIOR GIRLS TO BE SELECTED FOR D A R HONOR

Three senior girls of marked character and ability will be selected in December by the senior class as candidates for the Good Citizenship Pilgrimage, sponsored by the Alexander-Martin Chapter of the D. A. R.

The four qualities of character upon which candidates for the Pilgrimage must be selected are: Dependability, Service, Leadership, and Patriotism. The faculty will pick the school winner from the three candidates in January, and a scrap book, made by the winner under the supervision of the D. A. R.

School Board Helps Drive

Uniforms To Arrive and Be In Service Before Christmas.

Band uniforms will be provided for the High Point High School band through the sponsorship of the Civitan club. The school board has authorized the expenditure of approximately \$500 for the purchase of the uniforms and the Civitan club will sponsor the project for securing the additional funds needed to make the purchase.

It is expected that the uniforms will arrive here sometime before the first of December and the High School band will be clad in new outfits for the Christmas parade. The high school band has already been asked to participate in the Christmas parade which is being sponsored by the Merchants' Association.

The Pointer as well as other school organizations would like to express its gratitude to the Civitan club and the school board for making it possible for the School to have these new uniforms.

The uniforms will be composed of a royal blue coat or blouse with white trimmings and gray trousers will have a royal blue stripe down the side. The hats with a blue top will have gray bands, and white leather straps. A white emblem of the High School will be sewn to the front of the cap.

The drum major will strut a West Point style uniform. He will have a tail coat, embroidered with gold braids and buckles. The trousers for the drum major will be the same as the regular band uniform.
