Baseball Western Conference Opens Tuesday

WESTERN CONFERENCE TRACK MEETING

Black Bisons To Clash
With Trinity Tomorrow

SPRING
SPORTS

Western Conference Meet
Held Here On April 13th

High Point High School's Black Bison baseball team clashes with the Trinity nine tomorrow afternoon on the local high school field.

The Black Bisons, having won two games and lost two, open their Western Conference schedule Tuesday afternoon with Greensboro on the College field.

The Bisons, wining from Trinity and Asheboro, and losing to Oak Ridge Military Institute and Mills Home, will have on the field the strongest and most balanced team of the season when they clash with Greensboro. Coach Scott has made a general shift-up in order to have the team strong in all places instead of strong in some places and weak in others.

The probable starting lineup will be: Land, catching; Lackey, first base; L. Hayworth, second base; Captain Hucks, shortstop; Lester Webb on third; while the outfield will be composed of Whitt in left, Hedrick in center, and Overcash or Hussey in right. The pitching burden will fall on big Jack Hussey or Bus Overcash, port-sider. In case Hussey pitches, Overcash will probably go to the right field position and with Overcash pitching, Hussey will take over the outfield berth.

Ready for action will be: Infielders—Dennis, Hayworth, Morgan and Amick; outfield—Frith, Kivett, and Hartley. In reserve will be three pitchers: Brown, Linthicum, and Craven.

INTRAMURAL WINNER

Dwight Upton, sophomore, won the intramural free throw contest medal after a play off with Walter Halstead.

Tying with Halstead 32 out of 50 shots, Upton victimized Halstead in the playoff, 29-28. This ended the free throw season for the Intramural Sports.

Room 310-203 won the foul shooting contest for the room. The team was made up of Brown, Holmes, Lambeth, Halstead, Cranford, and Powers. The average was 13 out of 50 for each man. The next Intramural Sport will be softball.

Tennis

The Black Bison tennis team, hindered by the lack of experience, lost to the fine polished team of R. J. Reynolds of Winston-Salem last Thursday by the tune of 9-0.

Although the score seems to give the idea that the Bison were practically trampled under foot, they in reality were hard to beat. With the polish added that is needed the tennis team is reported to be ready for all invasions.

Jake Steele, Earl Frazier, Thurman Horney, Bill King, and Roy Highfill compose the ever improving Bison tennis team.

Thomas R. Baldwin announces that "Mississippi" and "The Lives of the Bengal Lancers" both hit films produced by Paramount Pictures will be run here within the next two months. Each will be accompanied by selected short subjects and the latest edition of H. P. H. S. News.

Spring is in the air! But that's not all. In the above picture you find John Jones and James Saunders taking to the air, John as he goes over the high hurdle and James as he clears the bar. Abie Short is just ready to heave the discus and Bob Truesdell has just let the javelin fly. (Pictures by Billy Barker, Pointer Staff photographer.)

The annual Western Conference track meet will be held here Thursday, April 13th.

Heading the list of entries, which includes Greensboro, Winston-Salem, Salisbury, Charlotte, and High Point, will be Charlotte, the defending champion and odds-on favorite to repeat. Charlotte annexed the championship last year by nosing out the strong Winston-Salem team by the score of 61 to 58, in the closest conference meet ever held.

During this meet records fell in the 120 high hurdles, half-mile, mile, and mile relay. Taylor of Winston-Salem ran the high hurdles in 15.3 seconds thus lowering Copeland's, of Charlotte, mark by seven-tenths of a second. By winning the half-mile in 2:9.1, Wise of Charlotte, broke Sprye's old record by three-tenths of a second. Vawter, of Winston-Salem, lowered Hendrix's, of Greensboro, running the mile run in 4:43.7. The Winston-Salem relay team composed of Clowers, Thomas, Reese, and Vawter, broke the mile relay record, held by Winston-Salem, when they ran it in 3:41.6.

P. E. CLASSES VENTURE OUTSIDE FOR OPERATIONS

Physical Education classes officially opened the spring softball season this week.

A great show of vim and vigor was the results of the Gym classes' starting the outdoor season. Turning from the monotony of the gymnasium to the exciting field sports brought a fresh exhibition of interest from all the boys.

Those boys who are not interested in baseball will have a chance to show what they can do in various track events.

On days when the weather will not permit the classes to play outdoors, courses in American Red Cross first aid will be taught. These courses include the applying of bandages, treatment of wounds, artificial respiration and other phases of first aid.

Cheerleaders To Be Announced Later On

Varsity cheerleaders for 1940 will be announced by Miss McCain when awards for the winter sports are made.

Miss McCain told the Pointer that all seniors had been eliminated and only Juniors and Sophomores remained for further competition. The elimination is headed by Miss McCain and this year's varsity cheer leaders, who select from each group of five the most outstanding and from these compose another group until the 1940 cheerleaders survive.

The club would like to see more boys out for the honor of cheering the Bison on to victory. This year there are only eight boys while the girls have thirty-six aspirants for the job.

GOLFERS SEE ACTION

Toady, the golf team will journey to the Forsyth country club to meet the Winston-Salem golf team.

Frank Garrett, the number one man for High Point, is playing golf for his fourth year with the team; Ansel Snow, number two man, is playing for his third year; Bobby (Rook) Sappenfield, number three man, and Henry Baker, number four man, are competing for their second year on the squad.

The golf schedule will include Lexington Raleigh, a mid-Atlantic meet and a four day tournament at Chatanooga Tennessee.

GIRL RESERVES TO HAVE SONG FESTIVAL THIS MONTH

(Continued From Page One) are to take place are: the spring dance, an outdoor supper for the Hi Y boys, a lecture by Mr. A. C. Jones, and a farewell party for the senior members of the clubs which will terminate the Girl Reserve activities for the current year.

The Mother-Daughter Banquet which was scheduled to take place the latter part of last month, has been indefinitely postponed.

GENERAL BUSINESS CLASSES CONDUCT CHARACTER SURVEY

(Continued From Page One) Along With People?"; the third was, "Are You 100% Honest?"

The questionnaire, "A Dozen Desirable Traits of Character," consists of twelve sets of questions concerning honesty, dependability, leadership, cheerfulness, courtesy, unselfishness, generosity, democracy, independence, good sportsmanship, neatness, and personal appearance. Each student rated himself or herself on each question.

An oral questionnaire, "In What Direction Does Your Personality Flow?" was also taken by the classes.

In conjunction with these surveys, a class in manners is being planned.

Each student was given a copy of "Personality Chart," which shows the qualities businessmen look for in hiring employees. This chart was prepared by the Transcription Supervisors' Association of New York City as a guide to students who intend to seek employment in business offices.
