TONY SIMEON HAS ONE OF THE FINEST ATHLETIC RECORDS IN NORTH CAROLINA

By BILL WARD

Coach Tony Simeon has by far the finest record of any coach ever employed at High Point high school. Ten years ago he started coaching basketball in this school. Now he has an enviable coaching record of .805. During the past decade other coaches tried time and again during the football seasons to topple Greensboro, but to no avail.

In 1945, "Tony" took over the head reins. The Bison dropped a tussle to Durham early in the season, but made a great come-back in the late stages to topple our arch rival, Greensboro, for the sec-

BASEBALL

Coach Carroll Bowen will be the guiding influence for the Bison baseball squad this season. A tentative schedule has been announced for the coming season, which will begin between the middle of March and the first of April.

GOLF

Most of last year's swatters are expected to be back "kinnin' the little gophers." This year the golf team will be composed of Aaron Rice, Alex Marsh, Darrell Madden, Bob Everhart, Tommy Langley, Ray Hamlet and any of the newcomers who may qualify for the team.

SPRING FOOTBALL

Skull-cracking and myriads of backaches are being experienced by the newcomers to high school football. Spring practice is fundamentally a conditioning practice for the fall varsity and junior varsity seasons. The Spring drill will end with the playing of the inner squad game.

Veterans Stack '47 Track Squad

Under the direction of Coach "Kid" McCoy, the locals 1947 track team is rounding into shape. The team is stocked with veterans and all signs point to a successful season. The dashes, pole vault, discus, shot put, hurdles, and one mile events will all have experienced men.

Dwight Carroll and "Specs" Clinard specialize in the 100-yard dash, Charlie Jones may be the top man in the 440-yard.

ond time since 35. In the following year Greensboro's conference champs were held to a scoreless tie.

Thus, in two years Coach Simeon was able to do what other mentors had failed to accomplish in the preceding ten years. His record in two seasons consists of 14 wins, 3 losses, and 3 ties.

In post-season games the Bison lost to Raleigh 28-6 and to Arlington, Va., 26-14. The 1946 team, during mid-season when the Pointers really hit their stride, was acclaimed one of the South's finest teams. Durham was crushed 33-7 in a spectacular brand of football

Pointer Grapplers Win Over Whirlies In State Championship Meet Here

Roy Bragg Paces Bison In Victory

Big Roy Bragg came through for the local grapplers last Wednesday night by falling Greensboro's heavyweight Staton. This was the crowning touch for the locals giving them the State Championship with the score of 18-17.

Much to the dismay of some spectators and team members, little Bobby Baird suffered his first loss of the season to Beamon by a decision in the 115 pound class.

It cost Faulkner of Greensboro an overtime period to decision Charles Casey in the 125 pound class.

Next came Aslinger to decision "Zeke" Cox in the 135 pound class.

RICHARD CROWDER

BILLY RAE HUNSUCKER

Crowder-Hunsucker To Captain Black Bison Basketball In '47

It was announced a short time ago that Richard Crowder, high scoring center, and Billy Rae Hunsucker, smooth ball handler, would captain the '47 edition of the Black Bison basketballers. At the same time Bill Hartley was named the most valuable player of the year. These boys were elected by their team mates in a popular election.

Crowder, a junior, is one of the highest scoring centers in the state, ranking first in conference scoring last year and this year.

Last year was the first time Crowder came into the limelight as a high school hardwoodsman. He made all-conference last year and again this year. Crowder is also a versatile member of the Black Bison football team.

Hunsucker, also a junior, is a high scorer and smooth ball handler. His continually keeping the boys on the go proved the difference between many a ball game. He made all-conference this year and last. Bill played a brand of football that pleased the fans and his fellow players as well. His position was at end.

Next year the Pointers will have a nucleus of three players from which to build their team. These boys are: Bill Ellington, Bill Hunsucker, and Richard Crowder. All three have had experience and are highly regarded in conference circles. Most of this year's squad will be back.

Though trios vary somewhat, they are outstanding in their respective fields. The combination of a trio of fine guards—Maxine Coltrane, Betty Lou Byrd and Dixie Garner have shown how outstanding they are by keeping the tallies of their opponents low . . . Tricky floor-work and accurate shooting were the two factors exhibited by the local cagers during recent games . . .

However, the more experienced Greensboro girls' team came out on the winning end of a 20-13 score recently when the local team traveled to the Gate City.
