

Just as quite a few plays end, this one did too, with everybody piled on one guy. Charlie Bryant (No. 25) just wasn't aiming to let that fellow by. Flapda (No. 55) and Harlon Burton (No. 46) rushed in to make themselves obnoxious, while Bob Hayworth wanted to make sure everything was under control. No. 30, Bill Ring, pauses before the pounce. Bison opponents: Charlotte Wildcats. Final score: 13-7, High Point.

Razzle-Dazzle Bison Down Maroons To Lead Conference

The "Land of the Sky", Asheville, N. C., furnished the scenery last Friday night for a football tilt between the Black Bison of High Point and the Asheville Maroon Devils, which saw the Bisons snatch the Western Conference lead. Greensboro High suffered defeat at the hands of Salisbury; Burlington wound up second in the loop with three wins, one loss, as compared with High Point's four wins and a single loss.

Charlie "Choo-Choo" Jones and Allen "Pholonzo" Smith shone for the locals in the Friday night tilt, each scoring twice. Charlie Bryant made three out of four extra points, while Bill Ellington and Wheat Miller offered smooth backfield performances. The Bison line was consistent and hard-driving which amounted to a nice showing for the locals.

After racking up a substantial lead, Simeon called upon the reserves, who saw more action against the Maroons than any team thus far this year. No injuries were reported as a result of the battle, with the exception of a slight internal injury suffered by left-halfback Smith, which was ably attended to by Coach Simeon on the field.

Player Award Ballot To Appear In Pointer

Mr. Brooks Reitzel, a representative of the local American Business Club, which annually awards the "Most Valuable Player" trophies to a Bison lineman and back selected by popular vote, has arranged with the Pointer to publish a ballot in the next issue. In previous years the ballot has appeared only in the High Point Enterprise and voting has been done in a downtown drugstore; but this year, Mr. Reitzel states, the ABC's desire a greater and truer representation of the high school. A ballot box will be placed in one of the towers, and voting will begin on November 22.

GYM SHORTS

Under the guidance of Miss Ann Upchurch, in her second year as physical education instructor, the girls' gym classes have started off with a bang this year. When it isn't raining, the girls go out and play soccer, (a mild form of let-the-ball-go-its-more-fun-to-kick-each-other.) When the weather does not permit going outside, the girls play volleyball in the gym. Occasionally the girls and boys have a co-ed class in square dancing.

The Girls' Athletic association held its first meeting of the year on October 5, when the members organized and took the club pledge. The organization is ably headed this year by Doris Craven, president; June Bivens, vice-president; and Anne Shipwash, secretary. Already a good number of girls are out for the soccer team, practicing on Monday and Tuesday afternoons; but Miss Upchurch says many more are needed before an intramural program can be worked out.

So come on, girls, be sports; join the G.A.A.;

CHEERLEADERS URGE SUPPORT

Homecoming game. . . and Greensboro, too. That's a pretty big order for Friday night. Up in the stands there'll be thousands of Bison fans. Ditto for Greensboro. So head-cheerleader Peggy Layton asks that HPHS rooters "get there early, know the yells, and maintain a top-notch organized cheering section. Let's show G'boro that ole HPHS spirit."

Reprinted below are some yells that'll probably "see a lot of action" Friday night. Know them?

Hidi, Hidi, Hidi, Hey
Hidi, Hidi, Hidi, Ho.

(To be repeated after cheerleaders)

We've got that ball
Come on let's go
Gonna run it through the center
On the left-hand side
Gonna beat that team
Gonna tan their hide.

(Together)

Come on, big team, let's hit that line
Come on, big team, you're doing fine
Come on, big team, let's see your speed
Cause about 6 points is all we need.
Gonna say it all over
Gonna do it again
Start at the first
So let's begin. (Repeat)

Bison, Black Bison
We've got the team
We've got the fight
We're gonna win the game tonight
Bison, Black Bison, Let's fight!

Bison Brevities

by
Jim Neely

As we bring Bison Brevities out of the moth balls for the cold weather, let's take a look at some of the sidelights of H. P. H. S. sports.

REMEMBER THESE EX-BISON?

Billy Ray Hunsucker is currently playing plenty of ball for the Catawba Indians and it was mighty good to see Bill with the old team as he kept yardage at the Salisbury game. . . "Bean" Campbell, former top Bison lineman, is showing flashy line play for Lenior Rhyne. . . Jack Hinkle joined the pro-ranks of baseball. . . T. C. Isom, last years plunging fullback, is sweating it out in Texas with a U. S. Air Corp Crew. . . We can't forget Jack White and Nelvin Cooper who have started hardwood practice at Elon. . . !

IT'S THE TRUTH. . .

Of the first string football team we have only two foreigners, one is W. B. Miller, born in the town we can't forget. . . Burlington. . . The other is one of the "touch-down Twins", B. J. Mickey from Mineral Springs. However, the other nine are "local boys made good". . . Roy Bragg (so they say) accused Bill Saunders of biting him on a sucker play—"Seaweed" must have taken the word too literally. . .

REVIEWING. . .

The Bison were underdogs in their first two games, first to a 200 lb. Gastonia line, but the Bison came through with a victory. Next they faced an undefeated, unscored-upon Durham team. Again the Bison overthrew the Bulldogs and won by three touchdowns. So, finally, against Burlington, ole HPHS is labeled the favorites. The winner? Not us, but the underdogs. . . Then the Blue and White took the thriller of the year from Lexington, then romped over Salisbury. . . Top notch blocking by the linemen and the speed of the backs downed Charlotte in a close score game. . . About that Asheville game. . . WAH!
