

## Making Handbooks While the Sun Shines

### Key Club Members Undertake New Activities

Besides being able to eat chow mein, members of the High Point Key Club are also keeping themselves occupied with said Key Club activities.

The prime objective of the club is service to the school; therefore much time is spent working on projects. Having just completed work on their most important project of the year, the High School Directory, they have begun work on another. Under the direction of Don Martin several members of the club have been working on Saturdays on the faculty parking lot back of the school building. All members of the faculty will be assigned parking spaces and their names or home room numbers will be placed on them.

The Key Club holds a meeting each week at the Asia Restaurant where club business is carried on. Most of these meetings are attended by a member of the sponsoring institution, the Kiwanis Club. In turn a member of the Key Club is present at the Kiwanis luncheon held every Friday at the Sheraton. The program usually includes a speaker on some subject of interest to club members.

Key Club handbooks plus stamps plus mailboxes equal a hard job completed. The Key Clubbers above testify to that. Left to right, seated are Heywood, Max T., Jerry, Don Albert, Nolan, Leroy, and Jim. Standing are Bob Y., Wheat, Max Ward, Dewey, and Goldston. That bright spot in the center belongs to Mr. Ishee, popular Key Club adviser

### Stamp Collectors Club Organized

Under the leadership of Miss Elizabeth Lindsay a stamp club has recently been organized here.

The objectives of this club, which meets each Wednesday afternoon in Room 314, are to meet new people and to trade stamps. Miss Lindsay, who recently became interested in collecting stamps, suggested that the club be organized.

The ten members of the group elected the following officers: Harold Schwab, president; Van Workman, secretary; and Bobby Padgett, treasurer. Other members are Rosie Beam, Bob Allred, Van Boyles, Charles Shufelt, Chad Rogers, and Pete Walker.

### H.P.H.S. Hailed Good Neighbor

In a recent editorial published in "Facts and Fun", Thomasville's high school paper, the Friendly Relations Committee of H.P.H.S. was highly complimented on its outstanding work in the promotion of better relations among schools with which High Point High comes in contact.

This committee, headed by Barbara Dillon, is responsible for writing letters to schools throughout the state inviting their students to attend the athletic games which are played here. After each game, letters are also written expressing our pleasure in having played the opposing team and our anticipation of future games.

It's good to have money and the things that money can buy, but it's good too to check up once in a while and make sure you haven't lost the things money can't buy.  
—George Horace Lorimer.
