

### World Peace To Be Discussed Tonight

Tonight, five H. P. H. S. students will participate in the Third Annual High School World Peace Speaking Contest to be presented by the Masque and Gavel Society in the high school auditorium at 8:00 o'clock.

Speakers for the contest are Jackie Meekins, Charles Shuffelt, Elzene Boyles, Frances Mull, and Shirley Kirkman. The subject of their speeches will be "What Is the Responsibility of the United States in World Affairs?" A committee of judges will pick a winner from these five students to receive the Gold Medal.

This contest is held in the high schools annually "for the purpose of encouraging high school students and others to study and discuss ways and means of building and maintaining a lasting peace throughout the world." The local contest is being sponsored by the High Point Bar Association and arrangements for the contest were made by Mr. James Clontz, secretary of the association.

There will be no admission charge, and the public is invited to attend.

### Beta Convention Set For April 29

The state Beta Club convention will be held in Raleigh April 29-30 at the Sir Walter Raleigh Hotel.

Those attending from the High Point chapter of the National Club are as follows: Margaret Little, Jane Beam, Marilyn Robinette, Betty Ann Kepley, Ann Allred, Nancy Jean Monroe, Ramelle Hylton, Norma Jean Ansell, Jack Marion, and Billie Ray Tucker. Miss Milling, faculty advisor, will accompany the group.

A talent show will be presented at the first general meeting of the convention on Friday evening. The election of state officers will take place on Saturday, and the convention will close that evening with a banquet and dance.

The convention is open to certified members, their parents, sponsors, and school officials.

## Something New Added! H. P. Faculty Will Present Play

### H. P. H. S. To Observe Career Day May 18

The entire day of Wednesday, May 18, will be observed at High Point High School as Career Day.

Before registration for the different panels takes place, every student will be given a Knuder Preference Test. These tests will show the student what field he is most interested in, so that he may register more intelligently for his panels. The tests cost a hundred and sixty dollars, and were purchased for the students by the local school board.

There are various displays now in the library on vocations, which have been placed there by the boys taking woodwork and metalwork. The bulletin board at tower two, entitled "My Career," shows many different fields of occupation.

Civic clubs in the city will be asked to aid this Career Day project by helping to obtain speakers.

### DR. HENRY GRADY

(Continued from Page 1)

office directory because I knew exactly where everybody in town lived." He added, "Of course, the population then stood at 14,000."

Dr. Owen recalled one dark day during the depths of the depression. He arrived early one cold winter morning to find a crowd of students actually huddled in the nooks and crannies against the brick wall outside the office window. They had no coats and it was cold.

He was looking out that same office window when I asked what was the greatest change he noticed. "There's no drastic change. It's still a place of beauty, especially in the springtime. Those roses along the fence . . . and see that Cedar of Lebanon tree just behind the flagpole? The students who planted it there named it for me. I still see that pride and bearing so characteristic of High Point High Schoolers. That's one reason your school has remained so clean and well-kept. You know, pride in something fine is a wonderful thing to have," he said.

Well, lower the footlights and call me Barrymore!

A comedy called "Queen for a Day" will be presented on the evenings of May 19 and 20 by the faculty of High Point High School in the high school auditorium.

The Parent-Teacher Association is sponsoring the all-teacher play to raise money for gas used in the driver's training car. Publicity, programs, and tickets will be handled by the P. T. A.

Every teacher in the school will have some part in the play, either serving on various committees or actually portraying some character. In addition to the regular teachers, Sergeant Shields, Mrs. Meeta Jackson, and Mrs. Johnnie Jackson will also take part in the unusual production.

The play is a comedy written in three acts by Carl Webster Pierce. It is based on the famous "Queen for a Day" radio program. The play is set on the broadcasting stage of the program with a representation of the radio show. It continues through the adventures of Jack Bailey, master of ceremonies, and the Queen for a Day, during the length of her reign.

All characters have not been chosen, but much interest has been shown by the aspiring potential Barrymores in the parts of Bella Buzby from Bumble Bee, Arizona; Penelope "Pen" Pusher from Ink, Missouri; and Mrs. Sybil Swindle from Robbs, Illinois.

Detailed plans for the play haven't been announced as yet, but it is certain that much interest and enthusiasm will be fostered by this faculty production.

### Evans Hits Jack Pot; Wins Stove

Boy, now isn't Evans the lucky one? Our friendly janitor has done no less than walk off with first prize in the Big Bear Super-Market Give-a-Way Contest—a brand new streamlined electric range.

You've probably caught those radio commercials, or heard your mom and the lady next door talking about the contest. You just walk in the Big Bear, buy your groceries, and on the way out drop your name into a box marked "Win a New Electric Range." Well, Evans walked by (several times, in fact). Fate smiled, and Evans won the stove.

We were seriously thinking of a picture complete with an interview of one so lucky, but Evans just said, "Think I'll change it for a 'frigerator. I got a good stove."

## G'boro Extends An Invitation To H. P. For Hop

When Greensboro High and High Point High meet this Friday night, there won't be any fur flyin' or keen competition—except maybe on the dance floor.

Three leading members of the Greensboro student body, Bob Carlson, student council president; Mike Myers, Key Club president; and Dickie Sharp, Youth Center president, made public admission of their good intentions on a goodwill trip to H.P.H.S. last Friday morning and announced plans made by the G'boro Youth Center to sponsor a dance, inviting the student body of High Point High as guests.

Music will be furnished by Bob Hayworth's Dreamsters, a local product.
