## Oh, Maggie

Did you know that Elliott Abeles is no longer Elliott Abeles? His name has been changed to Margaret! You see, it happen'd just this way—: One day, in his third period chemistry class, Mr. Ishee popped a question to Margaret Underwood. Immediately, for reasons unknown, Abeles answered the question; and he has been responding to "Margaret" ever since. That's the way to go, dear; we girls must stick together, you know!

## Student Panels Discuss Problems Facing Youth

Goldsboro High School was host to the 23rd North Carolina Student Council Congress October 24-26 when school representatives from all parts of the state assembled.

Barbara Short, Thomas Mauldin, Upper House representatives; and John Hayworth, Lower House member, served as the official delegates from High Point High School. This trio was accompanied by Miss Louise Hunter, Student Council adviser. The lack of housing facilities made it impossible for Goldsboro to accommodate more than four persons from each school, three student delegates and a faculty member. The delegates stayed in private homes of Goldsboro citizens.

The convention began Monday and lasted through Wednesday, having for the theme "Tomorrow Belongs to Those Who Prepare Today." This theme was carried into panel discussions by students. During these panels delegates exchanged ideas and discussed various problems which arise for a council worker.

On the N.C.S.C.C. social calendar for the first evening was a barbecue to encourage making new acquaintances among the delegates. A comedy was presented for the group by Goldsboro High School dramatic club. On the last night of the conference a semi-formal dance was held to honor all the delegates.
