## BISONETTE BUZZINGS

By ANNE SHIPWASH

The High Point girls' basketball team, once more on the revenge trail, came back from R. J. Reynolds with an effective win to their credit, defeating the "Grey Gremlins" of that school 20-16. The score does not begin to tell the story of the game, which was hard fought from the starting whistle to the final buzzer.

High scoring honors in this game once again went to Nancy Beck, who sank three baskets and four out of five free throws for a total of 10 points. Nancy has averaged 12.6 points per game this year. Close behind in the scoring parade were Henrietta Howell and Doris Craven with six and four markers respectively.

The J. V.'s ran up against hard luck in their game; and although the superlative efforts of Gwen Reddeck netted 14 points, the team was defeated 22-15.

Against Salisbury the following week the Bisonettes played hard and matched point for point during the first half of the game. Beck had 17, and Doris Craven set a personal record with 12 points in the 44-35 loss. But the second half grind began to tell on the team, and the many fouls began to count. The girls kept trying, though; and with a few breaks at the right time, they might have been victorious.

After the close of the varsity season, a girls' intramural basketball tourney was started, with all-state teams from the different gym classes competing.

Captains are: Period 1—Betsy Davis and Joan Meekins; 2—Jerry Clapp; 3—Nancy Welch and Ronda Miller; 4—Connie Phillips and Nancy Cook; 5—Jean "Teena" Burnworth and Ellen Baxley; 6—Carol Ann Kearns and Mary Jane McCain. In the round, 2 defeated 1, 12-10; 4 defeated 3, 12-5, and 7 defeated 6, 17-14. 4 drew a bye and advanced to the finals, which were scheduled for Friday, March 10. 2 and 7 were to battle it out Thursday, March 9, for the other finalist spot. The winner of this tournament will play the Jr. Varsity in a challenge. All officiating has been done by student officials.

This marked the first time H. P. H. S. has had a program of this kind, and the girls are enthusiastic that the tourney will be continued as an annual affair.

The Bisonette basketballers can hang up their shoes with pride as they look back over the record for 1950. The books show that High Point got revenge for every loss they suffered except one, and besides that, defeated Greensboro twice. The team enjoyed one of the most successful seasons since the early '30's, when the Bisonettes won district, conference, and state honors with regularity.

## HIGH POINT BISON WIN BASKETBALL TOURNEY

### Three Bison Make All-Conference Team

Not satisfied with winning the Western Class AA Conference title for the third consecutive year, the 1950 edition of the High Point High School Black Bison has walked off with three positions of the ten-man conference all-star team. Balloting was done by the eight league coaches, and a total of 27 players received votes.

Heading the pack was the locals' own Jack Powell. "Stilts," who won the same honor last year, managed to get his name on every ballot as a unanimous choice. Runner-up honors went to Ken Yarborough, who placed on every voter's entry but one. Jerry Paschal was the third man from High Point, and he gained a total of three votes. Honorable mention went to Co-Captain Charlie Bryant.

Other members of this year's conference dream team are Bill Campbell, Doug Kincaid, and Lindy Brown from Greensboro; Buell Moser, Burlington; Frank McRae, Salisbury; Paul Beantley, Charlotte; and Charles Kammerer, Winston-Salem. Final standings:

Team	W	L	Pct.
High Point	13	1	.929
Greensboro	10	4	.714
Burlington	10	4	.714
Salisbury	8	6	.571
Charlotte	5	9	.357
Winston-Salem	4	10	.286
Gastonia	3	11	.214
Asheville	3	11	.214

### Wrestling Season Draws To Close

With only a half dozen championships having been decided, the 1950 intramural wrestling tournament is slowly drawing to a close. Final matches in the remaining weight classes were to be held yesterday or today.

In the completed matches Howard Haworth won by a forfeit over Jerry Fulp to take top honors in the 112 lb. class. Fred "Sadie" Grubb won a hard 127 lb. bout by a fall over Ben Hawk in which Hawk suffered a broken rib.

Vying for honors in the 133 lb. match, Frank "Dusty" Campbell took a hard-fought victory from Donald Oglesby. Dickie Gantt was the remaining finalist for 165 lb. honors.

Moving to the heavier weights, Jimmy Jarrett eked out a victory over Ronnie "Monk" Falls in the 175 lb. limit, while Jerry Laws defeated Bert Bragg for the heavy-weight crown.

Remaining bouts soon to be settled are in the 103 lb., 120 lb., 138 lb., 145 lb. and 150 lb. classes. Finalists in these respective weights will be: Wayne Howard vs. Harry Mauney (105); Lynn Moore vs. Lynwood Burnette (120); Clifford Bean vs. Charles Yow (138); Ken Welch vs. Fred Mabe (145); and Sonny Sorrell vs. Lawrence "Fireball" Kimble (150).

## ATHLETES

From the West (Tulsa, Oklahoma, that is) came the "Oklahoma Kid," Jerry Paschal, and with Paschal came some of the zaniest feats an athlete ever had. One of the first deeds Jerry was to perform in North Carolina was riding a wild mule. Jerry had just moved to this state, and was attending a fair. Naturally, the first thing he saw that interested him was a group of mules. There was to be a reward for the person who could ride one of the mules, so Jerry promptly climbed aboard one of them and stayed on. There was only one hitch — he didn't get paid.

Many will remember last year in the state basketball tournament when, in the Raleigh game, High Point came back into the second half leading by a small margin. Paschal got the ball and tried a beautiful shot—at the Raleigh basket. Jerry received a letter from Raleigh complimenting him on his hearty effort. He has played three years of basketball, one in Oklahoma and two here.

In football he has played three years, one in Oklahoma and two years here. He was outstanding in football last Fall.

Jerry has also played three years of baseball. During his second year in Oklahoma, he achieved a 9-1 won and lost record as a pitcher. Some of his accomplishments for last Spring include: Pitching in four games, winning two and losing none, and getting hit twice by a pitched ball in the same inning by the same pitcher. Among his hitting sprees last year, Jerry participated in four games, while getting only two official times at bat.

Soph: "Those are my grandmother's ashes over there."

Fresh: "Oh, so the poor soul has passed away."

Soph: "No, she's just too lazy to use the ash tray."

"My worst sin," she sighed, "is vanity. I spend hours before the mirror every day admiring my beauty."

"That's not vanity, sister. That's imagination."

(Continued from Page 1) down for their half-time rest they were barely in front by a score of 28-26.

But in the second half it was an entirely different story. Coach A. J. Simeon's charges began hitting with clock-like precision and were soon out in front with an insurmountable lead of 46-38 at the end of the third quarter. Near the end of the game Simeon substituted freely and the reserves paced by Larry Rhodes exchanged shots equally with the Eastern division champs.

### Last Game

For four of the Bison quint it was the last time out in the blue and white basketball uniforms. Graduating as seniors this year are Ken Yarborough, Jerry Paschal and Co-Captain Charlie Bryant. All-State Jack Powell has been ruled ineligible by the State High School Athletic Association, thus completing his high school cage career. Junior Frank Hassell will be the only returnee from the starting five.

After the final whistle Yarborough and Hassell cut down the nets while Jack Powell walked off with the ball.

Among the fans was a small band composed of Jack "Butterball" Petty on the bugle, George Bright, trombone, and Fred Bean with a cornet. These three with a couple of hundred other students "raised the roof" of the huge Duke Indoor Stadium.

### Slaydon Wins Rifle Contest In Charlotte

In Charlotte, Saturday, February 25, James Slaydon won five out of a possible six matches at direct target in the Indoor Rifle and Pistol meet. Using a .22 calibre rifle, James entered in the junior class for .22 calibre rifles, breaking the old record of 858 points and setting a new record of 863. The five trophies that James won are for off hand, aggregate, prone standing, 75 feet any sights, and prone.

## Spring Sports Get Underway

As the spring term rolls around High Point High School, local athletes are dividing their talents among the five sports activities offered at this institution. Early baseball practice has already begun, and the diamond men will again be coached by Mr. Carroll Bowen. Along with the returning lettermen will be several bright prospects from last year's Junior American Legion team.

Cold weather has hampered most sports from holding regular practice, but the Bison trackmen have been working out regularly for about two weeks.

Tennis and golf will get underway officially during the next week if the weather permits. A few of the Bison netters, and golfers have put in a few days work, and regular practice and try-outs will be held in the future.

A few football prospects have already started getting in shape for the spring grid practice. Equipment will be issued tomorrow and light drills will be the order for Thursday. An intrasquad game will probably be held to wind up the drills, if the turnout is satisfactory.

## Durham Jr. High Wins Tourney

Controlling both backboards throughout the entire game, the E. K. Powe Junior High School of Durham trounced a fighting quintet from High Point Junior High, 58-36, here last Tuesday to take top honors in the third annual North Carolina Junior High School Basketball Tournament.

This victory marked the second time since the beginning of the tourney that E. K. Powe has won the championship trophy. The local aggregation under Coach Ray Correll were victors last year and managed to gain the winner-up position this year.

In the free throw contest, Elmo Jenkins from Millard Junior High School of Asheville tossed in 39 of 50 chances. Participation in this contest was greatly increased and the winner received a gold miniature ball.

Heading the scoring for the locals was Fred Byrd, who hit the hoop for 11 points, followed closely Nifong and Smith who had 8 and 6 points respectively. James led the invaders from Durham with a total of 20 tallies.

Judge: "What possible reason does the jury give for acquitting this man?"

Foreman of the jury: "Insanity, your honor."

Judge: "All 12 of you?"
