

Dewey Greer Receives Large Majority of Presidential Votes

The coming fall will see Dewey Greer inaugurated the next president of J. H. S., Bobby Younts as vice president, Sara Barrier secretary and treasurer, Evelyn Nance chairman of public relations, and Marilyn Robinette, Junior Pointer editor.

Dewey Greer, the new student body president, the boy with personality plus, hails from 204. A well liked student of his room, he has served on the student council during his previous two years here. He is also a member of the Senior High School Band.

Bobby Younts is the capable new vice president. He has the qualifications for an eagle scout and room 207 is very proud of him. He is good in his school work and takes an active part in school activities. He has brown curly hair, a pleasing personality, and is liked by everyone.

That cute little blond from 205, Sara Barrier, is our new secretary and treasurer.

Sara was chairman of the Lost

and Found Committee last semester. She makes good grades and is well liked by all who know her.

Evelyn Nance, the girl with the Pepsodent smile is our chairman of public relations for next year. Evelyn is an honor roll student and her favorite subjects are math and music and her hobby is collecting records. She is five feet six inches and has brown hair and brown eyes. She is very popular and outstanding with all who know her.

Your best bet is Robinette.

Marilyn Robinette, popular student of 215 and our new Editor in Chief, is a former student of Ray Street school. Marilyn excels in her studies, is a friendly brunette, five feet one, and is an active member of the student body.

Principally Speaking . . .

It may be that never again in one school year shall we see so much world history unfold. As a school group you have done your part faithfully and well.

I have sincerely enjoyed working with you and for you. Many compliments have come to you this year from visitors and from neighbors. That makes it an honor to be a member of the Junior High family.

More than four hundred of you are graduating and we who remain will miss you. Continue your education; you will need it in the Post-War world. My best wishes go with you always.

May all of you, both faculty and students, have an enjoyable vacation season.

MR. THAYER.

Letters . . . from '44-'45 Presidents

I would like to say to all you 8th graders who next year will be enrolled in the ninth grade of Junior High School, that your next year will be full of bright opportunities. In the last three years I have attended and visited many schools and I can assure you that never before have I seen a school with any better educational, physical, and student government facilities than this one which will next year be run by you.

To Dewey Greer, and the executive committee I would like to say that you are very fortunate in having Mrs. Ross as your council advisor. I am sure you will find her very co-operative and helpful in many ways and will receive the same co-operation from our principal, Mr. Thayer.

But boys and girls, remember this. Next year you will not be kept organized only by your elected leaders, but by each student's individual participation and cooperation with every member of faculty and students.

Sincerely yours, TONY TEACHEY.

Students of Junior High,

It seems that I've spent so many pleasurable and profitable days here in Junior High that in a way I hate to leave, but I feel sure that next year you will all get behind Dewey Greer and his committee, and work earnestly so that you will be proud to say, "I am from Junior High!"

Because this past semester has been a most enjoyable one, it has been a pleasure to take this opportunity on behalf of the Student Council to thank Mrs. Ross, who has been our faculty advisor and in so doing helped us in many, many ways. Also I would like to thank Mr. Thayer for helping us put on our many activities.

In closing I wish to tell you that I have appreciated your splendid cooperation, and I am sure that you will give your new president the same cooperation.

Sincerely yours, PAUL FRIEDMAN.

Good Looking Bunch * * * * * New Executive Committee * * * * * Don't You Think?

These five smiling individuals seem pleased over the mandate they have received to head the student council next year. And well they might, as it is a proud tradition which will be theirs to uphold. They are: Bobby Younts, Sara Barrier, Evelyn Nance, Marilyn Robinette, and Dewey Greer.

Mrs. Kimrey Resigns Her School Position

With a deep feeling of regret, the Home Economics Department announces the resignation of its director, Mrs. Lillian P. Kimrey, who recently accepted the appointment as assistant Home Demonstration Agent for Guilford County.

Mrs. Kimrey served Junior high six years.

Always popular with the students, Mrs. Kimrey gave freely of her time to the various social and war activities at Junior High School. She will always be remembered for her fine spirit of cooperation and it was through Mrs. Kimrey's untiring efforts that Junior High School reached well over its quota in the recent Red Cross drive.

With her artistic and creative ability in designing costumes, Mrs. Kimrey brought many characters to life in the plays that were given during her years as Director of Home Economics. Too—who could ever forget the delicious refreshments at all the parties and tea dances?

There will be many things we won't forget, Mrs. Kimrey—we are going to miss you. Our loss is Guilford County's gain, but we wish you every success and happiness in your new endeavor. There is just one last request we should like to make—don't forget us and come back to see us whenever you can.

All-Columbian Honor Awarded Jr. Pointer

The Junior Pointer has received national recognition in the form of an All-Columbian award for its feature writing.

The award was given by the Columbia Press association, a part of the school of journalism of Columbia University.

The Junior Pointer has the distinction of being the only school paper in the south of its classification to receive this honor, the other winners of awards being in New York, Pennsylvania, New Jersey and California.

The All-Columbian award is given to newspapers and magazines for outstanding work in each of several fields of journalism, such as typography, headlines, news stories, editorials, sports, and features. One publication is selected for each field.

Nancy Greer, Betty Jo Hedrick, and Irving Silver are feature writers for the paper.

Attention! Get Your Social Security Card

Most of the Seniors and the undergraduates will work this summer. If your job is with an industry, you must get a social security card. To do this you only have to go to the nearest office of the Social Security Board and ask for a card. But until you have a promise of a job, do not apply for an account number.

Why do you need a social security number? Because you want credit for every dollar you earn. The payments you will receive someday will depend upon the wage record that is kept for you by the Social Security Board.

Here are the points that you should remember.

- 1. Get a card if you need one.
2. Do not get a card unless you plan to work.
3. Take care of your card if you get one.
4. Ask your employer to copy down your name and account number.
5. If you lose your card, get a duplicate. Always use the same number.
