

A small portion of the Dyed Yarn Packaging Department, at the Dyeing & Finishing Plant, shows **GEORGIA HALL**, left, **TOMMY WALTERS** and **"TOY" BLACK**. Georgia lives on the Hickory Grove Road with her husband, Harold, 3rd shift overseer of Dyed Yarn Winding, and children, George and Nancy. They attend the Ridgeview Baptist Church. She has been with us a year. Tommy the Section Man, is sleepy looking, but he is really alive and alert when it comes to keeping the girls in yarn to be packed. He is a Baptist and lives on Route #3, Gastonia with his wife and daughter Brenda. He has a married son Jimmy and one grandson. His favorite pasttime is fishing. "Toy" has been with us 9 months and is a Baptist. She lives at 320 Craig St., Mt. Holly with her husband Barry and 3 boys, Barry, Jr., Tracy, and Todd. She loves to dance and if we could get her to keep us entertained with some Hawaiian dances while we are working, production might go sky high and then again it might not.

We have a father-in-law and son-in-law team here at Adrian Plant, that does a good job as Comber fixer and overhauler. They are **ELWORTH LEDFORD**, left, who has nine children and likes to fish and hunt.

On the right, **ROY HEDGEPATH**, who has two children and likes to work in his garden and fish.

These ladies all work in the Spinning Room at Adrian. Back Row, left to right: **VERLIN SHERRIN**, **MARGIE DOWDLE**, **JoANN MORGAN**, **ROBBIE PRIEST**, **MABLE LOFTIN**. Front row, left to right: **ANNIE B. SIGMON**, **ROSE CHILDERS**, **NANCY McDONALD**, **IBERA PERKINS**.

These Employees of Madora Plant's first shift Winding Department are doing a fine job getting the production out as well as having an outstanding service record. They are, left to right, first row: **ANN McNABB**, Mt. Holly, 22 years, **ELVA LAWING**, Mt. Holly, 43 years, **ANNIE BRADSHAW**, Stanley, 21 years, **ALLIE COOKE**, Stanley, 24 years, **TALLIE RHINEHART**, Mt. Holly, 32 years, **CATHERINE RIDING**, Mt. Holly, 14 years. Second row, left to right, **NELL MANES**, Mt. Holly, 49 years and **LULA MAE RICK**, Mt. Holly, 40 years.

ON THE SPOT Shots AROUND the PLANTS

These employees of Madora Plant's first shift are doing a fine job in their plant. They are, left to right: **ROBERT BROOME**, Yarn strapper, married to Lilly Mae Thomas, lives at Route 2, Gastonia, has one son and two grandchildren. **LOLA BROWN**, Wrapper creeler, married to C. W. Brown, lives in Mt. Holly, has two daughters and one son. **TROY SIPE**, Yarn Packer, married to Dora Langley, has two sons, one living in Mt. Holly and one with the U. S. Marines stationed in Italy.
