

Save your neighborhood

Patching up an old building instead of putting up a new one does more than just preserve historic character. It saves energy. Find out more about "Preservation: Reusing America's Energy" during Preservation Week May 11-17. Or come to the Preservation Conference in New Bern May 9-10. Call the Archaeology and Historic Preservation Section of the Department of Cultural Resources in Raleigh, (919) 733-4763, or Peggy Howe, (919) 733-5722.
