Charlie McCullers

McCullers Presents 4 Way Test

The Vanceboro Rotary Club was honored last week with a very distinguished Rotarian, Charlie McCullers. Rotarian McCullers is the person who was instrumental in getting Rotary established in Vanceboro 37 years ago. He was greeted and introduced by charter member, Donald Witherington. Rotarian Witherington stated some of the high offices held in Rotary by Rotarian McCullers. He is a 45 year perfect attender in Rotary, which shows his dedication to an organization he believes in very much.

Rotarian McCullers used the

four way test as his topic for the evening. He stated if businessmen throughout the world would use the four way test in everything they say and do, we would have a much better world to reside in. The four way test is **Is it the truth? Is it fair to all concerned? Will it build good will and better friendship? Will it be beneficial to all concerned?**

Rotarian McCullers challenged the Vanceboro Rotarians to promote through their businesses and the local schools this four way test and to practice it in their every day life.

Gov. Hunt Visits New Bern

Thursday of last week was a busy afternoon for Governor Jim Hunt as he made two appearances in New Bern. At 5:00 he shook hands with over 600 supporters that turned out to give the Governor their support in his bid for the U.S. Senate. In the evening he made an appearance at the Swiss Bear Banquet. In both his speeches he spoke highly of the work being done in the downtown area and hard work (10 times the work of his opponent) being displayed for him in Craven, Pamlico, Jones, and Carteret.

Several Vanceboro citizens were on hand to pledge their support for the governor.
