By MRS. B.H. MITCHELL

Easter Sunrise Services will be held at St. John A.M.E. Zion Church on Sunday morning at 5 a.m.

The pastor and officers are inviting all members and friends to attend.

Quarterly meeting services will be observed also at St. John A.M.E. Zion Church on Sunday. Morning service will begin at 11 a.m. with the pastor and choir in charge.

The pastor and choir of Queen's Chapel A.M.E. Zion Church of Dover, N.C. will be in charge of the evening service.

Everyone is invited to attend these services. Rev. Claude Davis is pastor.

Ms. Mariam Mitchell was hostess for a Mary Kay Party at her home on Sunday night. A demonstration was given by Ms. Everline Mitchell on the proper use of the products in the basic cosmetic kit as well as other beauty aids for men and women.

She gave many pointers that would lead to lovely skin and satisfied customers. She also told of the history of Mary Kay's Company.

The Craven County Democratic Convention was held at the Craven County Courthouse on Saturday with officers and other Democratic elected officers being in attendance.

Reports, minutes of the last year's meeting, election of officers, election of delegates to the district and state conventions and plans for other activities were on the agenda for the day. All parts of the agenda were acted upon by those members present.

The chairman of the party, Dan Stallings, carried the planned program out in good order and on time.

About 36 delegates signed the passing sheet to attend the District and State Conventions.

Dan Stallings, County Chairman, advised members to strive for unity of the party and to consider electing the candidates who would best serve now and even for their children in the future.

The stormy weather continues to make news in North Carolina. On Saturday and Sunday severe thunderstorms, rain, hail and even tornados made many people nervous.

The farmers all around who usually seek rain are crying out "it's a plenty now, when will we get in our fields." They are finding it difficult to even break the land now.
