Miss Lalor

WE WONDER:

What all the noise about "teddy-bears" and "bunny rabbits" is about; and who was the little birdie that started such a rumor out at State?

Why Chaps had to spend the afternoon of May first shut up in Miss Lavis' room?

Why Kay Castles consented to let a power house like Ann have a date with Bill? You know these copper-colored gals!!!

Why Jamie wants so to go visit her aunt everyday? We guess she just loves her lots.

On Wednesday afternoon there was a meeting of the student-body to take inventory of the honor system. Mr. Moore took charge of an open forum during which we discussed points pertaining to the honor system. We were pleased to find that even more of us were for the honor system than before. We are proud to say that the honor system has been officially adopted. Congratulations and lots of luck to our student-body!!!
