

Saints' Sallies

With the Junior-Senior now only treasured memory, Saint's Sallies have put aside frivolities until after the dance. But goodness!—the dance was wonderful; and congratulations to the juniors for the decorations and everything.

Ditty Robinson went home week-end before last, and saw quite a lot of THE Marine who is now stationed at Quantico. . . . Bobby Cleveland went home too with an ulterior motive involved. . . . Lillian collected an invitation to the christening of a ship while she was home. . . . Martha Parker, Sue Moore, and Nancy Greer were in Williamston last week-end and had some fun seeing at "Tom Jones" we've heard so much about. . . . Mary Butler has now achieved fame; there's a plane in Burma named for her: the "Mary"

Lulu Vance went to Wake Forest last week for the dances, then he came over for the Junior-Senior. . . . Lily Ann went home last week-end to see a very special sailor. . . . Helen Barnes and Estelle went over for the frat parties at the Hill the same week-end. . . . Pard went home last week-end too, and came back with a Pika pin—the property of a certain blond sailor. . . . And speaking of the Navy, Sue Thomas' sailor (V-12) from Tech, was here again to see her. . . . There were certainly a lot of flowers at the dance—more corsages and more orchids. Some men came from dates that couldn't get to the dance (i.e. Bobby Blum, Willie R., and Betty Grif). . . . And while we're on the subject of flowers, Betty Griffin got some roses from a guy in the Pacific. . . . Millie and Roberta Huffman had a very convincing time at the dance, their dates had the same name! . . . Mary Rose has heard "indirectly" from West Point again. . . . Sis Frisell is going to the State finals this week-end.

The seniors really had one grand week-end last week-end. Phyllis, Mary Eden, Margaret, Wood, Kate, Sturt, Ruth Gee, Roberta, Betsy Durham, Virginia, Sidney, Maria, and Miss Digges went over to Maria's cabin and had quite the time; and when some ensigns came over to pay party-call on Sunday. . . . Betty Lu went to Philadelphia and came back starry-eyed. . . . The men of the Wrightsville house party really came up for the dance. That is, the important ones. Bobby Jean, Flee, and Fanny Hill had a big time because of it. . . . Sallie's date turned out to be a Marine Lt. too, all in all she says she's glad he wasn't an ensign. . . . Barnie's sailor came for the week-end, and they were without doubt the "happiest ones." . . . Hence wasn't exactly unhappy, because her man was here too. . . . Early the entire school spent the night out after the dance and went to Mary Helen's party.

Incidentally, the big sigh of relief that just heard came from the juniors who have just finished their short stories.

Those girls managed to dream up some wonderful romances. If only one of them could come true—the dreamer might prove an eventful one.

Off Campus Capers

The big week-end is over, and everyone still looks sort of weak. Seems it was definitely a big time for everybody. **Lu Callum's** darling Lieutenant came up from Georgia for the dance, and **Clarice's** sailor was down from Norfolk. He's on leave here this week.

Jane Lee Parker and **Lu** got corsages for the dance, and **Mary Helen Wilson** and **Ann Cutts** got cut flowers afterwards.

Those who didn't go to the dance were busy too. **Alice Jones' Marine** from Chapel Hill was over again, and **Bettie Kendrick** was dating an Ensign. **Jane Winston** and **Betsy Ann Pou** went to **Morhead**. **Sara Ingle** and **Catherine Weaver** went to **Sara's** home for the week-end and had a marvelous time.
