VALENTINE'S DAY AT ST. MARY'S

by Cathy Neal

Is there anyone at St. Mary's who is not in love? Either with some really neat male you already know or some hunk you just dream about? I'd say it is very probable that we all are and the 14th is the day to let them know it.

Either make them college valentines or decoupage boxes; paint rocks or sew hearts on underwear and give them a little hint as to how you feel. Maybe some girls think it is best to play it cool, but Valentine's Day is one time you can blow your cool gracefully and be sweet about it. Just do something a little out of the ordinary to let that guy know he is special to you. Maybe you do Not usually kiss in public. Well, when you see him Saturday night really lay one on him. Or if you do not want to be quite so dramatic and forceful, you could hold on to his arm and steal a little pinch and surprise him.

There are lots of cute, sweet ways to let your honey know you care but about the best is just to say, "I love you." You might get more response than just a Valentine.

New License Plates For The Pisanis

A new set of license plates arrives at the beginning of every year. Mr. and Mrs. Pisani definitely have the newest look in plates for 1970. In case everyone hasn't noticed, the Pisanis display "SMJC-1" and "SMJC-2" on the back of their cars. The idea for these plates came when the Pisanis arrived in North Carolina and had to change license plates. They were given ones with "YUC-305" and "YUC-306". Mrs. Pisani remarked, "We just couldn't take that again, so we decided on "SMJC." We plan to have "SMJC" on all our plates from now on". Sally and Jack love the idea. Sally wants to have "SMJC-3" on her car—if she gets one and Jack is going to put "SMJC-4" on his go-cart.

YOUNG DEMOCRAT'S SUPPORT CHRISTIAN CHILDREN'S FUND

This year the Young Democrats Club's attention has been focused on one little boy. Through applying to the Christian Children's Fund, an organization which gives aid and guidance to unfortunate children all over the world, YDC members were able to "adopt" a child. The Christian Children's Fund has a list of over 80,000 children: each child is an innocent victim of some kind of tragedy—war, disaster, no parents, and many other destitute conditions. Through a sponsor's aid a child is helped to escape from a life of poverty and misery.

Our little boy is named Ching-Po, and he lives in Taiwan. Ching-Po, whose father is dead, lives with his mother who is in poor health and cannot work to support her family. Although the Christian Children's Fund provides orphanages for many children, the Family Helper Project was used in Ching-Po's situation. The purpose of the Family Helper Project is to keep the family together and to give a child an opportunity to live in his own home in an atmosphere of family love.

Ching-Po was born on March 1, 1958. From his personal information story it was learned that he is now in the sixth grade, and his favorite subject is Chinese. His health is fair and progress is good. He has the chores of washing dishes and sweeping, and his favorite game is dodge ball.

The Young Democrats Club gives twelve dollars a month in support of Ching-Po. In general, the child receives food, clothing, medical care, education, and school supplies. The most important aspect of the aid is that it gives Ching-Po an opportunity to grow up under his mother's care.

To continue our support of the child we must raise one hundred dollars this year. During the next months there will be candy sales held for this purpose. We would appreciate your help.
