# Our Thanks To You

The College wishes to express sincere gratitude to Mr. Brian P. Maher for acting on behalf of Belmont Abbey College in settling the estate of George J. Walter.

Brian, an alumnus of the class of '59, is a partner in the law firm of Mayer and Mayer in Bridgeport, Conn. He was extremely helpful to the College through the donation of his services in obtaining a bequest

to the College from the estate of Mr. Walter. We are deeply appreciate of his kindness.

Other alumni and friends of Belmont Abbey College who are attorneys can also aid the College by donating their time and services. Please be aware that the College can be considered when an estate contains a bequest to charitable causes, to be determined at the discretion of the attorney.

## Attention:

### Former DES Members

The Gamma Iota Chapter of Delta Epsilon Sigma wishes to contact former members who have graduated since the chapter was founded in 1957 by Fr. Cuthbert Allen, O.S.B. and prior to 1975. DES is a national academic honor society open to rising seniors with a 2.25 minimum quality-point average.

The records of the Abbey chapter were destroyed in an automobile fire four years ago, and the national headquarters does not maintain records of members who do not send change of address notifications. The headquarters, incidentally,

is now located at Belmont Abbey College, in as much as Fr. Neil Tobin, our new college president, is the society's national secretary-treasurer.

If you were an officer of DES before 1975, please contact us with a list of all the names you can remember of members during your term of office, and the date; and members please do the same. We would like to make our records as up-to-date as possible. Any information you have should be sent to Mrs. Jean Moore, DES Advisor, Belmont Abbey College, Belmont, N.C. 28012.

## Classical Guitarist Performs In Abbey Church

Douglas James, classical guitarist of Charlotte, presented a solo concert on July 12 in the Abbey Church.

James, who began playing the guitar at age 13, has been a student of Gus Toole of Charlotte, Mike Mosley of UNC-C and Jesus Silva of the N.C. School of the Arts. He has also participated in master classes

with Oscar Ghiglia, and was one of the Charlotte Music Club scholarship winners for 1977-78.

He currently divides his time between teaching in his private studio in Charlotte and performing, both solo and duo with Irene Maddox, Charlotte flutist.

The program of guitar music included works by Bach, Scarlatti and Fernando Sor.
