## Abbey Receives Kodak Grant

Belmont Abbey College received \$2600 in Kodak employee/alumni grants through Eastman Kodak Company's 1978 Educational Aid Program.

In recognition of the contributions made by college and university graduates to the company's business success, Kodak employee/alumni grants — \$650 to privately supported schools and \$150 to publicly supported institutions — are awarded to accredited institutions for each undergraduate year completed by those who graduate and join Kodak within five years of their graduation. These grants, awarded during the graduates' fifth year of employment, are made on behalf of those employees who are utilizing their academic training in the performance of their job duties.

The Kodak employee/alumni grant to Belmont Abbey College was made on behalf of Anthony F. Latronica, Jr., who received the B.A. degree in economics and business in 1970. He is currently a marketing manager for the Eastman Kodak Company in New York City and lives in Lake Hopatcong, N.J.

Upon the request of the Kodak Company that the grant dollars be distributed to Latronica's department, the \$2600 will be used as scholarship funds for business majors currently enrolled at the college.

The recipients are Mary Manon, Robbin Flanagan, John Maresch, John Bailey and James Slevin.

This year, Kodak employee/alumni grants totaling \$950,000 have been awarded to 223 four-year privately and publicly supported colleges and universities and to 66 privately and publicly supported schools offering an AAS degree.
