

## LAST WILL AND TESTAMENT

I, Laura Woodworth, being of worn-out mind and body, do gladly bequeath THE STENTORIAN to Jeff C. and the Treasurer's chair to Mike D.; an AWAC to next year's Quiz Bowl team; a Mamas and Papas album to Hunter; some meatless ziti to Geoff; a French, English, Russian, Italian dictionary to Sara; and many hugs to the rest of the Ground E women.

I, Teri Wooten, being of sound mind and body, do hereby bequeath the continuing ability to spare to Donna; badges of order and crime control to Deputy Paige and Assistant Deputy Liesl; and a dozen peanut butter chocolate chip cookies and lots of happiness to Jason.

I, Greg Young, being of sound mind and body, do hereby bequeath my charm to David Petranick (he really needs it); my room to...whomever (I hope they enjoy it as much as I did); my love and best wishes to Sara Crovitz (thanks for being a friend); and I leave this school with a smile on my face and a foot up my \*\*\*.

I, Joyce Young, being of sound mind and body, do hereby bequeath an eternal smile and hug to Cynthia; my intense thoughts (and etc.) to Travis; the disaster area to Leigh and Maya; and my calm acceptance and understanding to Barry, my touchstone.

I, Shelia Young, being of sound mind and body, do hereby bequeath my Brit Lit notebook, my calculus maxi-quiz, and a Michigan State University coaster to Darren Starnes, so that he, too, can appreciate the trials and triumphs of senioritis.

I, Richard Ziglar, being of sound mind and body, do hereby bequeath nothing to anyone. Indeed, even if I wished to, I could not because anything of real value you must give to yourself.

## ...A GROUP EFFORT LW&T

We, Ground Reynolds, being of sharp minds and voluptuous bodies, do hereby bequeath to the UBBAS, our Gloria Vanderbilt nylons and sexy lingerie for their future enjoyment in midnight fantasies. We also leave them 20 magnifying glasses (for obvious reasons). It's been real guys.

--Laura W., Lynne H., Monica B., Lisa R., Lisa G., Michelle W., Jaema H., Julnar R., Kim W., Cheryl G., Beth B., Niveen I., Tricia K., Marlei W. (P.S. We look better in our undies than you do, but we hear that you look better in trash bags!)

## ...AND ONE FROM THE ADVISER

I, Cathy Veal, having fulfilled my duties as newspaper and yearbook adviser (what a relief!), do gladly bequeath the agonies and headaches of next year's decisions and deadlines, as well as the pleasure of seeing the results of your efforts in print, to Leigh Aderhold, Jeff Cherry, Suzanne Kuo, Laura Poole and the "lucky" new advisor. May you have the same good fortune I have had to work with such talented and dedicated staff members as Sherëe Morgan, Wayne Sparks, Greg Pait, Yessic Spencer, Chris Stanard, Craig Steffee, Jeanne Stockert, Deon Strickland, David Theil, Kimberly Thompson, Dan Todd, David Troth, Marlei Walton, Greta Watts, Pam Whiting, Bob Wieth, Daren Williams, Angela Woodack, Laura Woodworth, Teri Wooten, Greg Young, Joyce Young, Shelia Young, Carlton Zdanski, Richard Ziglar.
