

Mystery Photographs

Think you know NCSSM like the back of your hand?

Prove it!

Tell us *exactly* where these photographs were taken, and we'll reward the first student who correctly guesses all five.

Send your guesses via our website: www.ncssm.edu/stentorian

Photos by Kitty Fromson

Lawn Boy Scamp:
A thousand thanks for 14 great years.
- Perstickety Barnarian

To Jonathan Keohane,
Jonathan: 15 years and 3 kids later, there's still no one I'd rather spend a lifetime with than you.
Love always, Laura

To Megan Stegall,
Paronomasia was my aim today
But my ultimate goal seems far away
A poet I'm not
But I'll tell you what I've got:
A love for you that won't fade away.
Cristobal Palmer

To 4th East,
Happy Valentine's Day to the best brother hall!
Love, Your Ground Girls

To Mr. T's F-block,
Happy Valentine's Day!
Tom Trocano

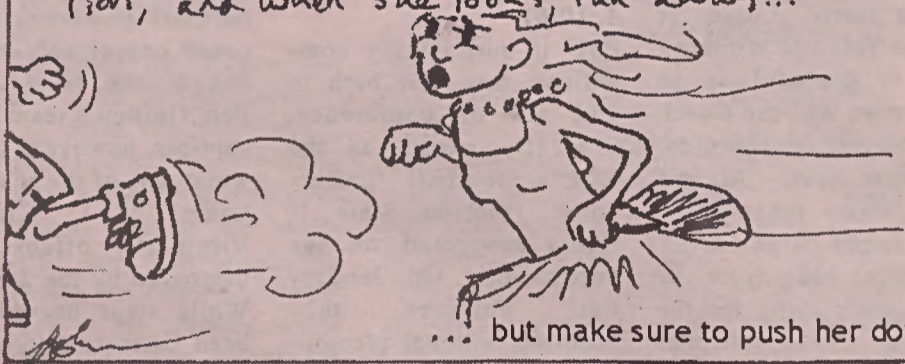

To 2nd Hill:
We are the best hall on campus! Let's keep it that way, guys!

To Samia:
Always I know you're the one I live for.
Happiness surrounds me whenever you are near.
As long as we're together, I have nothing to fear.
In my mind you stand alone,
wanting you to be my own.
You're an angel sent from above,
My constant and only true love.
The sweetness lying on your inside
The beauty surrounding your outside.
The only one in my life I will eternally adore.
To keep you I would do whatever.
So we shall be one forever.

Absolutely Absurd by Ashley Poyzman

Dating Tip #577 -

If you aren't sure how you feel about a girl point across the street and say that you see a lion, and when she looks, run away...

... but make sure to push her down first.

Dating Tip #37 - ask your date about any life threatening allergies.

Lewis realizes that perhaps he should've gone with the traditional candy and roses.

- or at least make sure it's a perfume bottle and not your mother's Mace.

Happy Valentine's Everybody!
