and senior Rosa McDonald with 9 points, 5 steals, and great leadership on the court. Coach Chad Wray was the leader on the sidelines, assisted by SLI Sabrina Calato.

It has been over 2 years since Gibbons lost a conference game, and after their defeat, the Crusaders are currently in a three-way tie for the top of the conference with Ravenscroft and Cary Academy, while NCSSM moved out of 7th place. The season has been tough on the Unis, but the skill and talent of the team is evident with the win against Gibbons.

The team often has a hard time due to scheduling. For example, tryouts had to be postponed for a week during exams, giving other schools on a semester system a whole week to train their new team. Also, with the high rate of turnover at this school, the team is at a disadvantage against teams who may have played together all their lives. But even with these setbacks, NCSSM has brought together a team with strong individual talents and the desire to win. The lady Unicorns hope to continue to win against both conference rivals and other non-conference teams, and to pose a threat in the upcoming tournament.
