pretending to sleep, and other strange habits, for tanning beds, sunburns, and embarrassing pictures; **Chris Leyton**: For being Super PCC's, slacking off, sending e-mails that never fail to crack me up, peeling the freckles from our summer skin, and Cali & NYC. H. Ferg will miss you; **Ramsey Cardwell**: For Gatos, arboles and crazy stories that always included driving while "not fully aware" or Asian boys; **Molly Jones**: "Alright, so" for all the random classes we had together this year, slacking off, cracking up, and swimming together; **Aditi Parmar, Stevie Hamby**: For being neighbors with a crazy addiction for the OC

I, **COURTNEY FOX**, hereby bequeath my most prized possessions and memories to the following... **Elizabeth Garrard**- The best two years of my life, tampons and dark chocolate, random loud music and everything associated with RL108 and being my first best friend; **Lyndsey Steffensen**- a bed at State anytime, a video made at 3AM of a few crazy girls dressed up 80's style, and the title of best friend/pseudo lover; **May Liu**- AChem, Rchem, Econ, Physics, and other "Lessons", the Disney Channel/Comedy Central at 1AM on Rchem trips, and a bed at State when things get too cold up North; **Quinn Morris**- Rchem trips, summer research, random conversations early in the morning; **Elizabeth Anderson**- A Barbie doll, a broom just in case the halls at UNC get boring, and a space on my top 8 in Myspace; **Cayla Noble**- breakfast and a sleepover at State anytime, the Leadership/Mentorship, my hot pink lip chair- for my awesome baish, and my bed in RL108; **Stephanie Schumaker**- A new motor for the sketchdar, my Royall Rd. sign-for my sketch baish, and the title of sketch magnet queen; **Alison Mead**- everything I own that is orange, even though I don't have much orange stuff, and a rainbow for Tony (jk); **Abby Long**- usage of my hot pink lip chair, and the duty of making sure that baish is used in conversation daily on 1RL next year; **Fotsch, Furmanek, John Powell, Colton Sexton, Schumaker, Casey Putnam**- a place to crash at State whenever.

I, **CARLOS FUENTES**, being of sound mind and all that jazz, hereby leave the following cool stuff to the following cool people: **Jason Hawkins**: esmerelda's spirit, the honorary titles of "Head Queen" and ruler of the drag queens. Work it, girl...! **Luis Zapata**: the best late nights ever and my random stuff folder. You are the only one to carry on my legacy, homie - even if you ARE abandoning 2nd East. **Nathan Creger**: [half of] All the happiness in the world **James Howard**: [the other half of] All the happiness in the world. **Zach Pugh**: the entirety of psychology, and all of Dr. Regalis' love and affection **Bob Liles**: sleep, sleep, sleep. That, and some corn in a can. **Tim Canty**: a trombone part in TENOR clef **Brian Nobles**: love, WOW, and all that is arabesque **Wendy Hua**:

a black dress, another day, and a wedding ring -- will you marry me, grandma? **Kathleen Herbert**: a million evil cackles and

and breezeway plays. **Luis**: You can put them in a salad... **Elly**: Crocodile chases! **Hattie**: Some classes left that you

and to **Lucas** a state t-shirt and a bar of soap... plus the best 8 months ever.

Angela Sarnie: my room, "P.S." back because I def. stole it, my headband because you seem to like it a lot; **Rebecca Lee**: trying to speak German "blurben shnurr", I'll take the mystery out of YOUR brussel sprouts, late study sessions, better time management skills next year (don't take after me); **Alan Brewington**: KARATE CHOP!, all the gelato you can eat, p.s. all girls must be submitted to me for approval; **Jacob Ulirsch**: late night political debates, "funny" conversations, S.D., a replacement milkshake, cranium with Priya, a place to stay at Carolina if you ever need one.
