Intellectual Teenagers. I expect another hat next year Clinton. If anyone on 3E feels that improvement is necessary, I'll give them some green cards to cross the boundary to the west. Anyone on 3W can bum on my floor next year if they need it. I hope my outstanding legacy of upholding the Unicorn tradition serves as an example for future generations of SMATHERS. **Elliot**, I'll come back to visit you at Science and Math next year.

As I, **Harry Appler**, pass from this life to my next, there are several bits of unfinished business that I feel need to be cleared up, for the peace of mind of those that succeed me. First, My room is left to **Cole Caplan** and **Greg Taschuk**. Next up in joint custody to **Joe Gitt** and **Isabella Bellon**, I leave trips to and from NCSSM, in a car that magically always has enough room. To **Austin Ellis** I leave **Biology**. To **Sarah Pai** I leave all the damage control she has ever done for me. To **Cristy Rowley** I leave Thursdays in the Radio Room. To **Joel Anderson** I leave the bad study habits you have picked up from me. To **Laney Schenk** I leave everything that is "echt Super." To **Olivia Desormeaux** I leave anything surrounded by * or preceded by /me and being kept up until 5:00 with class at 8:00. To **Daniel Ratzlaff** I leave the memory of Lenny and Telesca's room, for making our room junior year seem almost clean. To **Kat Styones** and **Loray Jones** I leave DDR club without actually playing DDR. Finally, to 3E I leave one more god.

I, **Rebekah Barker**, being of sound mind and body, do hereby leave **Kaylee Barket** the best hallway hugs; **Nicholas Bartlett** lunch dates at Elmo's and front-row Ecology privileges; **Justin Cornoyoy** all the English muffins and ascots you could ever need; **Sean Crisco**, hours of physics comp-time for your 'board duty'; **Rebecca Egger** and **Sydney Ness**, Feng Shui books; **Hannah Fabry** teal shorts and a copy of Aladdin; **Christina Faison** a lifetime supply of diet Coke, and "hugs & kisses;" **Clinton Fitch** a life-size Victoria Secret model, green mesh for a stylish hat, and a steaming plate of Bali Hai; **Jordan Gower** a fantastic hair decade; **Heather Hill**, walks to check, striped shirts, and juicy gossip; **Elizabeth Hutchins** appreciation for simple things in life, cute flats, and "That's what she said...like Christina Aguilera" jokes; **Kate Norris**, psychology parties and all that jewelry I stole from your safe, mom; **Hilary and Valerie Todd**, Cardinal pride; **Allie Van Vliet** killer letter-writing abilities, the "Naptastic" award, and an extra-large bed for late visitors (named Bekah); **Emily Wilson** the ability to be the best RLA 1D's ever seen; **Yify Zhang** an endless supply of Febreeze and Kimchi, late night conversations, and a life-size toilet.

07-08 and wish them luck on 08-09!

I, **Alexandria Booker**, being of sound mind and body, hereby leave **Maryam**, room 012 and a toasted microwave; all of my juniors, the memories and the continuing family of Ground Royall; Fiji and Vegas with 2C, regardless of who lives there, we are 2C; **Farrell**, a year without aquatic ecology projects; **Jessica**, the task of teaching her juniors about her culture like she has taught me; **Rachel**, regrets of not getting to know you better earlier; **Teryn**, late night Pow-wows and a drama free year; **April**, the position of making every person on hall hungry with smell of your food; **Marseille**, the hope for a cleaner hall; **Sam**, a more positive outlook; **Alex**, thumbs on the table, cross-dressing attire, and the title of the best junior brother; **Laura**, numerous late nights and hilarious showers; **Brittany**, the best memories of this school and possibly my life, in the hopes that she will fully enjoy her senior year and always take time to laugh and shower crash. To the graduating class of 2008, I have full faith that NCSSM has changed us all and we have learned much more than what was taught in class. I know we will use it well.
