

## Special: Going Out of Circulation! Get The

Mr. Liles

30 years

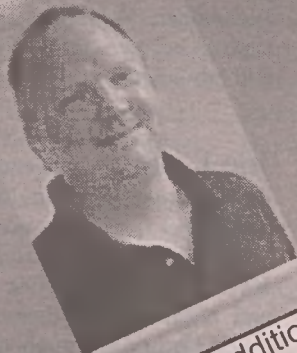

Put Liles into play against any abandoned hospital, and receive one full-power art program.

When Liles goes out of active play, he hikes the Appalachian Trail and writes short stories

Mr. Wells

2 years

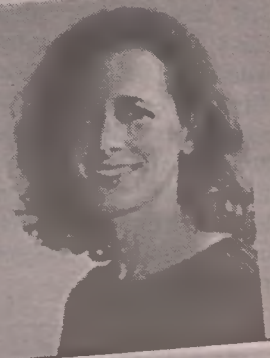

Wells has the additional power of coaching swim teams.

The Wells character is recently the father of a new NCSSMon, and will make his home in his native Winston Salem.

"Nothing will compare to my time here at NCSSM."

Ms. Moore

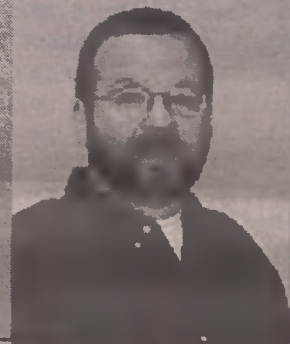

2 years

Ms. Moore has extra soccer-coaching powers that may be used at any time.

Moore has the power to write any event into being, using her creative writing skills.

Steve Jones

Able to harness the mysterious power of TWAN to make things happen at will.

Steve Jones was once a great and powerful high school teacher, and plans to reclaim his educational throne.

Rasheed Wiggins

Frequently spotted playing sports (and winning) with the students, Rasheed will pursue an MBA at Duke's Fuqua School of Business.

"I think it's time for the Art program to go in a new direction--new ideas, new media"

Ms. Craft

15 years

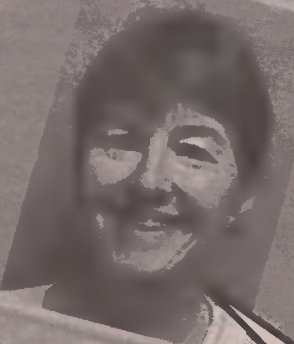

I'd like to see *you* do triple integrals in your head.

Craft travels cross-country visiting contra dance workshops before returning to active play

"If I ever teach high school again, it will be here."

Ms. Roberts

11 years

Roberts can allow any juvenile NCSSMon to communicate with French or Spanish speaking NCSSMon

With her powers of communication, Roberts travels the globe, paints, reads, plays music, and spends time with her grandchildren.

"As much as I will miss you all, I won't be bored."

Starr Brown

60HP

Starr is . . .

the only SLI to actually update their "\_\_\_\_\_ is . . ." board.
