

housekeeping. To Quintin: Forced hugs and horrible experiences in Spanish Class. To Jin, Katie, and Christy: A fight to the death over Queen of the Swim Team. To Josh and Kyle: Inappropriate comments at swim practice. To Rosalia: A constant reminder that a person can be more obsessed with One Direction than you. To Kathleen Boyette: My forced friendship and constant updates about Fanfiction. To Waverly: A hard legacy to live up to as the only Wolff sister on campus.

the JS doppelganger legacy. To my sister hall, 4B, I leave lots of love. And to the best hall on campus, First Hunt, I leave continued greatness. All the rising "seniors" (because we all know you're going to be juniors to us forever), have some of my senioritis just in case. :)

I, Calvin Xiao, being of sound mind and body, leave Abhishek K. the "Sentinel Water", Bellingham a guide on how to creep people out with a

Yoo, wunning and Mad Hatter's; AHibbs, random hugs, a fraction of my ninja skills; Bruce (pronounced BRUUUUUCE), adventures at Whole Foods and downtown Durham; Connor, fearing your life during polymer labs and the courage to embrace your dumber side; Avi, TyTy, and Whitman, no G's; Katrina, baptizing lab notebooks and chocolate therapy if you come visit me; Tina, trolling in the deep, Connie, partner in crime -ship, Emnchen BYOLG; JGao, existential late-night

Jin Zhang "my impeccable sense of style" and Attaché (make me proud!); Josh Ewy hugging in the street and mixer dance moves; Phoebe Castelblanco UNC crew and future Ashville plans; Albert Hong Cumbia wardrobe mishaps; Hayley Erickson IM basketball hatred (but I really love you alot!)

I, Lisa Zheng, being of sound mind and body, do hereby leave Jaeyoung Yoo memories of K-Wave and

I leave wise judgment as captains, humble thanks for your amazing dedication, the guarantee of having Sverdrups of fun with your future ocean sciences bowl teammates, and the duty to beat Raleigh Charter next year; to Amy and Alison, laughter, hugs, and smiles as leaders of the Random Acts of Kindness club; to Sri, long conversations about random things, debate competitions, and the duty to spread awesome shows to others; to Anne, mental scars from (questionably) fun labs

Group of Students at Holi

Hun Wong - I bequeath the remainder of my estate, property and effects, whether movable or immovable, wheresoever situated and of whatsoever nature in equal shares to Lily Vang. Thanks for that ice cream sandwich. I really think you'll do well with all the things I give you! Cya later bff!!

I, Alan Wu, being of stressed mind and debilitated body, do hereby leave everyone in my position next year more time to cram for the stupid AP Chem exam and still have enough time to write these damn wills. To S.T., I leave visible abs and neglected bro-talks. To J.C., I leave a shout-out as promised. To my neighbors, V.V., A.G., and N.A., I don't like you anymore. So I did naaught leave you anything, alright? To D.T., I leave something appropriate, but I can't think of anything (Just kidding, I leave bro-sis activities and some Ambassador swag). To V.Y. and K.R., I leave a good sense of humor and my trust. To J.D., I leave some much earned respect. To my roomz, T.K., I leave the good ol' angsty days and hopes to reconnect in the future. To some poor Asian junior, I leave

shake weight in the Gym, and Townley a box of cereal for the few times that I've "borrowed" food from you with every intention of paying you back. This cereal may be whatever kind you choose, as long as it's the bargain brand from Malt O' Meal. Most importantly, I am providing Andrew with a door sign that you may put on your door to inform your roommate that you are, in fact, in the room, to avoid any future awkward moments. I leave William Ge my room on Second East, so that his two roommates may forever have a Double-Triple. I leave Param Sidhu with all the fun I had in the "hardest" class in the school, AP Phys B. Finally, I leave all the juniors with terrible internet that now truly cuts off at 1 A.M., but with this knowledge: If you have a smartphone, tethering will be your new sliced bread. Sam, you get the permanent title of "Feeder" because you're bad at LoL

I, Amy Xie, being of sound mind and body, do hereby leave: Risa da roomie, memories of 2am antics when everything is hilarious; My Twinnie, Wednesday runs, especially puddle jumping in pouring rain; Ada, too many nerdy puns and bubble tea making skills; Jessica

ponderings; Christie Jiang, Katherine Whang, successes #whitebridgechineseigilproblems Ying Qi, witty contraptions for scaring people; Katherine Whang, successes to define yourself and failures to learn from; Jaeyoung Yoo, the sensation of being watched as you sleep; Jaehyeong Lee, mastery of the art of A-walking; RChem juniors, litreviews and exploding things; Volleyball juniors, enough carbonation to bring you to da 'ship.

I, Grace Yook, being of sound mind and body, do hereby leave Katherine Treacy bikini parties, working out, and the promise to be sisters for life; Reid Watkins Lilly Pulitzer love and Virgin Diaries; Caroline Sprinkle prom fiascos, room visits, and Dirty Dancing; Ryan McCord weddings and the love of Spain; Ivy Hubbard baby cradling and stunting; Brooke Whitfield and Diya Shahidhar. room 214 (live it up!); Alex Pharr "driving the car" dance move and Boo the dog; Tejas S Sundaresan birthdays and cashing cardboard checks; Anne Kelley spandex shorts and cat ribbons; Ibukun Ademoyero physics tutorials and leadership seminar; Haleigh Baxter competition practices and Marcel the shell;

well wishes in carrying on the legacy; Robert Renfro good luck in handling everything next year and memories of dinners after K-Wave; Sungwon Hwang K-Wave memories and apologies for throwing the bouncy ball at you so much; Sarah Chang the title of best improv in K-Wave; Ying Qi never stop being the wonderfully blunt person you are; Stephanie Yu thanks for the ramen and do try to sleep more; William Ge sorry for not being a great senior sister and take Envirothon to new heights!; Alison Chang stats memories and cute drawings; Harish Pudukodu and Daniel Griffin lead my brainchild, Mock Trial, well; Landon Carter delirious late night conversations and being the coolest junior brother I never had, hope to visit you in Boston in a year, child; Amy Xie being the best roommate and friend a girl could ask for; Suqi Huang hope you enjoyed sleeping in my bed :P; Ada Taylor, tall people hugs, never stop being legit, I promise I'll visit!; David Wang rcomp memories and I can't wait for the summer!

I, Tina Zheng, being of sound mind and body, do hereby leave the following meager but treasured possessions: to Jessica, Mark, and William,

with fruit flies and water fleas and enjoyment of monkey faces; to Katherine, many thanks for sticking with OSB and dealing with my decisions; to Laura, the ability to chill when it matters the most and a hope for a low-stress college application process; to Jesse, fun senior/junior sibling outings to Ninth Street; and to the rest of my junior friends, hopes for an amazing senior year filled with great surprises and time to bond with friends.

I, Connie Zhong, being of sound mind and body, do hereby leave Sri, Ying, Hillary, Yvonne, and Caitlin plenty of green, innovative ideas and much success in your AGC endeavors; Andy trips to Locopops and Bali Hai and a junior sister lucky to have an amazing senior brother who can impart his wisdom; Katherine all the hugs in the world; Alison something to trap your overwhelming cuteness in to bring a smile to someone else's face; Laura plenty of unstressful days and luck with college applications; Stephen and Rachel physics-less days and much fun with Science Days; and all the incoming juniors and seniors a wonderful year filled with optimum levels of sleep, study, and socializing.
